a shocking bible discovery found in the dead sea scrolls after forty years of research in
the biblical text this book came about while studying biblical manuscripts in their original
greek i was given a project by my greek professor to research the dead sea scrolls this
research changed my life my belief about time and the books of the bible while
researching the dead sea scrolls i found two historical books that were in the bible during
jesus time on this earth so i ask this question why did man remove these books the
deeper i studied i discovered that our bible should have seventy books instead of sixty six
six is the number of man and a number representing incompleteness sixty six doubles its
meaning and the number 666 needs no explanations men do resist god's will today 2
peter 3:9 while researching the subject i encountered extreme opposition the books of
the bible should be divisible by seven so we are missing one new testament book and
three old testament books to make a seventy book bible have we been deceived by our
religious leaders and science community does all time truly consist in a 7 007 year
window this book is written from the complete seventy book bible which was revealed in
the dead sea scrolls do the scrolls reveal angels mating with the daughters of adam
where did the giant human originate have we all been lied to about genesis 6 and the
events during the days of noah are angels and demons masquerading as aliens and ufos
in a great end of time deception will the dollar collapse by 2022 will the u.s. be destroyed in
one day by 2028 however when he the spirit of truth has come he will guide you into all
truth for he will not speak on his own authority but whatever he hears he will speak and he
will tell you things to come john 16:13-14

in the year 9000 of the jian kingdom a severe drought struck it is said that after a severe
drought there will inevitably be a year of famine the following spring the rain fell
