a great many years ago in a land far away from us there was a certain king who was dearly beloved by all of his people men admired him because he was strong and just in all of his dealings they knew they could depend upon him every matter that came to his consideration was carefully weighed in his mind and his decisions were always wise women trusted him because he was pure and true with lofty thoughts and high ambitions and the children loved him because of his gentleness and tenderness toward them he was never so burdened with affairs of state that he could not stop to speak a pleasant word of greeting to the tiniest child and the very poorest of his subjects knew they could count upon his interest in them

excerpt from a collection of eastern stories and legends for narration or later reading in schools they will be sufficiently interested in the dramatic setting to absorb unconsciously the meaning of the story the book is not intended primarily for children to read but for teachers to use in telling these tales but when they have received the dramatic impression through the telling they will have an added interest in reading the book for themselves i have purposely avoided using illustrations to these stories i want the children to make the mental picture suggested to them by the spoken word and if they read the story afterwards i do not wish to force them to abandon their own conception and adopt a general one because this would mean eliminating one of the most potent educational factors in the telling of the story about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of
