is the story of the lifelong journey i have taken in realizing that dream i invite you to come along with me as we go from my birth in haiti to the present day as i live my dream every day you will come with me as i move to america at the age of seven a country i knew nothing about and whose language i didn't speak a land that would truly prove to be the land of opportunity you will feel my sense of wonder and bewilderment growing up in new york city trying to understand my new world you will face my struggles to fit in with the kids in the housing project where my family lived for a decade as mom and dad saved money to buy a house you will meet my parents who encouraged my dream of flying and my fifth grade teacher who helped me to see that it was possible not only to dream it but also to achieve it it's a story of potential fulfilled and my family's sacrifices to get me through college and flight school you will fly with me from my first lesson to my first airline job as a copilot to the day i earned my four stripes and first heard someone call me captain you will sit with me in the captain's seat as i fly an airline jet over haiti for the first time looking down from thirty eight thousand feet onto the land of my birth where my dream had been born you will soar with me over the majestic amazon jungle in brazil over the desert flanked nile river in egypt and the sparkling mediterranean sea you will fly with me through new york city blizzards indian monsoons and arabian sandstorms you will travel with me on adventures to europe south america the middle east south asia the caribbean and other parts of the world i used to dream of going to as a child places that have affected me profoundly and where i left a little part of myself i have seen all these things through the eyes of the seven year old boy from haiti that i was and in many ways still am the little boy who had a sense of just how incredible the world and life are who dreamt of a life of worldwide adventure and was blessed to have his dream come true that is the reason for the title of this book the seven year old pilot because even after years of flying around the world in many ways i still feel like that little boy and i always try to approach my travels and my life with his sense of gratitude amazement and awe i truly believe that every one of us has life experiences and lessons worth sharing that can inspire enlighten teach and benefit others because we have all lived
