spiritual maturity is not a level of growth christians achieve but the passion to press on in christ in these concise chapters j oswald sanders explores the primary source of continual growth as we embrace god's providence hardship and more we can move from infancy toward the fruitful maturity we were created to enjoy now this new edition of spiritual maturity includes a for reflections section making it an ideal resource for both individual and group study

dr carlson identifies the seven obstacles to spiritual growth and discusses the primary stages of growth to show readers how to look forward to an extraordinary life by totally embracing the completed work of christ

wherever there is life there is increase and growth in gods kingdom there is a constant interchange of receiving and returning thus the capacity for receiving is increased as one communicates the heavenly gifts to others he makes room for fresh supplies to flow into his soul from the living fountain greater light increased knowledge and blessing are multiplied to him whoever is satisfied in receiving and never giving loses his

capacity to receive this is true in temporal as in spiritual things there can be no life without growth a plant must either grow or die as its growth is silent and imperceptible but continuous so is the growth of character the plant grows by receiving that which god has provided to sustain its life spiritual growth is attained through cooperation with divine agencies as the plant takes root in the soil so we are to take root in christ as the plant receives the sunshine the dew and the rain so are we to receive the holy spirit the object of the husbandman in sowing and planting is the production of grainbread for the hungry and seed for future harvests so the divine husbandman looks for a harvest he is seeking to reproduce himself in the hearts and lives of his followers that through them he may be reproduced in other hearts and lives eight keys takes you step by step through the process of spiritual growth and development

the bible reveals that there are four stages of spiritual growth understanding them is fascinating and will help you see where you are spiritually and where you need to go it will also help you to locate where others are so you can understand their position and relate to them accordingly stage one is actually a stage of spiritual darkness where the individual is separate from god and in need of spiritual regeneration the next three stages apply to the development of the believer the bible refers to these three stages in terms of childhood youth and maturity 1 john 2 9 14 too many christians get stuck in stage two which is the institutional stage of growth where believers learn the fundamentals and are dependent upon pastors for their spiritual health stage two is strategic and essential but it s unwise to get stuck there this book shows you how to keep growing and provides the necessary tools

how many of us have an open treasure chest of gold our spiritual growth waiting to be claimed on a deserted beach spiritual growth is the process of becoming more and more like jesus christ when we place our faith in jesus the holy spirit begins the process of making us more like him spiritual growth is perhaps described in 2 peter 1 3 8 which tells us that by god s power we have everything need to live lives of godliness which is the goal of spiritual growth what we need comes through our knowledge of him which is the key to obtaining everything we need our knowledge of him comes from the word given to us for our edification and growth there are two lists in galatians 5 19 23 verses 19 21 list the acts of the flesh these are the things that identify our lives before we came to christ for salvation the acts of the flesh are the activities we are to confess repent of and with god s help overcome as we experience spiritual growth fewer and fewer of the acts of the flesh will be evident in our lives the second list is the fruit of the spirit verses 22 23 these are things that should characterize our lives now that we have experienced salvation in jesus christ spiritual growth is identified by the fruit of the spirit becoming increasingly evident in a believer s life when the transformation of salvation takes place spiritual growth begins the holy spirit indwells us john 14 16 17 we are new creatures in christ 2 corinthians 5 17 the old sinful nature begins to give away to the new christ like nature romans 6 7 spiritual growth is a lifelong process that depends on our study and application of god s word 2 timothy 3 16 17 and our walk in the spirit galatians 5 16 26 as we seek spiritual growth we should pray to god and ask for wisdom concerning the areas he desires us to grow we can ask god to increase our faith and knowledge of

him god desires us to grow spiritually and he has given us all we need to experience spiritual growth with the holy spirit s help we can overcome sin and steadily become more like our savior the lord jesus christ how do i get there

have you ever wanted to get closer to god but you can t seem to make it happen or felt like the harder you try to overcome your spiritual struggles the more you get stuck there must be a better way simply trying harder never works and that is not god s plan for your spiritual growth you don t see an orange tree striving and struggling to produce a single orange no the orange will grow because the rest of the tree is healthy it is a natural process in the same way you will grow spiritually and produce the fruit of godly living once your inner life is healthy and thriving growthworks is written to help you understand the biblical process of spiritual growth it is the author s conviction that the reason most christians feel like they are not growing spiritually isn t because they don t want to grow but rather that they are stuck spiritually simply because they don t understand how spiritual growth happens with simple practical applications growthworks will take you step by step through the process of spiritual growth teaching you biblical principles that will help you respond to god in a fresh and life changing way it s time to start growing again

when we hear the words spiritual growth the first thing that usually comes to mind is we have to become more religious or we must engage in certain practices such as daily prayer or mediation that is not the case with spiritual growth in order to grow spiritually you do not have to find god or buddha or whichever divine being you may worship no you don t have to recite the holy rosary or any other religious prayer that is not what spiritual growth is all about in achieving spiritual growth unlocking the riches within you you will discover a path towards personal enlightenment how to become a better person not only for those that surround you but for your own personal well being once you have achieved spiritual growth you will begin to see life in a whole new light

teaching for spiritual growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth

many christians spend their entire life attending church without discovering what pathway the lord would have them take on their spiritual journey this book traces the main itinerary of the christian journey a journey of spiritual transformation i wrote it to give you a much clearer understanding of the unfolding of the plan of salvation the way god educates his children and to help you discover all the spiritual potential that jesus has put within you when you understand these often unexplored truths of scripture you will be able to discover all your spiritual abilities and react effectively to the experiences in your life of all books you could pick up this one will give you valuable information for the journey and effective christian living enjoy the read and may the holy spirit guide you the key to effective spiritual growth by jean saint sauveur is not a book on doctrine rather it deals with the spiritual application of the principles of scripture especially the fundamental teachings of the epistle to the romans showing how they are essential to reach our heavenly destination
