this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

offers a lively concise and easily accessible approach to the development of christianity's core themes over the centuries as christianity enters into a new phase of expansion the study of christian theology continues to play a key role in modern intellectual culture as well as to those wanting to understand the central issues and preoccupations of the middle ages the european reformation or many other periods in human history since its initial publication more than 30 years ago christian theology an introduction

has established itself as one of the most respected and widely used theological textbooks now in its seventh edition this classic textbook remains an unparalleled introduction to the primary concepts themes and developments of 2 000 years of christian thought designed for students with no prior knowledge of the subject christian theology provides an overview of historical theology explains central aspects of philosophical theology describes major debates over christian theological method and explores key doctrines of systematic theology theologically neutral chapters offer balanced coverage of catholic orthodox protestant and evangelical traditions positions perspectives and insights in this new edition renowned theologian alister e mcgrath is joined by educationalist matthew j thomas to ensure that christian theology connects with a range of contemporary teaching contexts reviewed and improved content is supported by an entirely new series of fifteen lectures on christian theology written and presented by professor mcgrath christian theology an introduction seventh edition remains the ideal textbook for university courses in christian theology seminary courses across denominations church discussion groups adult sunday schools and those looking for a reliable guide to the study of christian thought

the second edition of this book written by internationally acclaimed theologian and author alister e mcgrath has been completely updated in response to feedback from readers it retains the clarity and accessibility that made the first edition so popular whilst expanding its coverage of a range of issues includes a major new chapter on sacraments and new sections on core topics including the problem of suffering the theology of sin concepts of heaven and views of the millennium uses the apostle s creed as a framework to introduce readers to key theological issues such as god jesus christ the holy spirit faith creation salvation atonement religious history and heaven contains within each chapter an overview of one of these themes presents relevant biblical passages and summarizes the contribution of one major theologian written by one of the world s leading theologians for anyone taking a first short course in christian theology can be used alongside mcgrath s theology the basic readings for a complete overview of the field

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavouring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity

a new edition of leading theologian millard erickson s classic text

regarded as the leading text in christian theology for the last 25 years alister e mcgrath

s the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

this splendid introductory textbook for christian theology presents two essays by leading scholars on each of the major theological questions william placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous

work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

these fourteen specially commissioned essays provide an exciting new introduction to the content of christian theology

from augustine to gutiérrez from creation to eschatology this volume provides readings from classical modern and contemporary theologians covers all the major doctrines of christian belief is edited to provide key passages and concentrated readings and can be used with reconstructing christian theology

engaging variously with the legacy of paul 1 lehmann these essays argue for a reorientation in christian theology that better honours the formative power of the gospel to animate and shape doctrine and witness as well as ethical and political life the authors explore key themes in christian theology and ethics forgiveness discernment responsibility spirituality the present day tasks of theology and the role of faith in public life making plain the unabated importance of lehmann s work at this juncture in contemporary theology the internationally recognized contributors draw crucial connections between the gospel of reconciliation the form of christian theology and witness and the challenges of contemporary ethical and political reflection this book demonstrates why this close friend of dietrich bonhoeffer and author of ethics in a christian context and the transfiguration of politics continues to influence generations of theologians in both the english speaking world and beyond

presents for the first time in textbook form a collection of the finest writings of noteworthy theologians of the key doctrinal themes in christianity

the history of christian theology can be a daunting even forbidding field for the novice who sees neither the need for nor pertinence of rummaging around dusty old texts this people friendly volume a full scale reader in the history of christian theology offers an easy non threatening occasionally humorous yet quite thorough entry into christianity s central texts from the apostolic fathers to mary daly it is also enlivened by dozens of cartoons by rich diesslin highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers the texts highlight perennial themes and questions in christian tradition especially the meaning and importance of jesus challenges to the institutional church tensions of faith and reason spirituality and the christian quest for social justice the new edition half again as large as the original adds significant work from the cappadocian fathers and the christological controversialists the franciscan tradition the radical and english reforms and deeper coverage of twentieth century theologians with learning aids research paper suggestions and guide and glossary publisher description

this book shows that theology is both integrally related to formation in jesus christ and shapes our understanding of the world christian formation is incomplete and impossible without theological formation because christ transforms our hearts and minds attuning them to the reality of god as the authors explore the deep connections between theology and the life of the christian they emphasize christian formation as a defining

feature of the church arguing that theology must be integrally connected to the church's traditions and practices

an ideal introduction to christian theology discerning the divinepresents the doctrine of god as the most important subject in christian believing and living chapters discuss the complex god question and the task of christian theology includes a glossary of terms

students often find introductions to systematic theology too daunting or boring to wade through here author and teacher bradley hanson offers an attractive accessible alternative for undergraduates hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance
