the popular image of the british raj an era of efficient but officious governors sycophantic local functionaries doting amahs blisteringly hot days and torrid nights chronicled by forster and kipling is a glamorous nostalgic but entirely fictitious in this dramatic revisionist history jon wilson upends the carefully sanitized image of unity order and success to reveal an empire rooted far more in violence than in virtue far more in chaos than in control through the lives of administrators soldiers and subjects both british and indian the chaos of empire traces britain s imperial rule from the east india company s first transactions in the 1600s to indian independence in 1947 the raj was the most public demonstration of a state s ability to project power far from home and its perceived success was used to justify interventions around the world in the years that followed but the raj s institutions from law courts to railway lines were designed to protect british power without benefiting the people they ruled this self serving and careless governance resulted in an impoverished people and a stifled society not a glorious indian empire jon wilson s new portrait of a much mythologized era finally and convincingly proves that the story of benign british triumph was a carefully concocted fiction here thoroughly and totally debunked

for the century and a half before the second world war britain dominated the indian subcontinent britain s east india company ruled enclaves of land in south asia for a century and a half before that for these 300 years conquerors and governors projected themselves as heroes and improvers the british public were sold an image of british authority and virtue but beneath the veneer of pomp and splendour british rule in india was anxious fragile and fostered chaos britain s indian empire was built by people who wanted to make enough money to live well back in britain to avoid humiliation and danger to put their narrow professional expertise into practice the institutions they created from law courts to railway lines were designed to protect british power without connecting with the people they ruled the result was a precarious regime that provided indian society with no leadership and which oscillated between paranoid paralysis and occasional moments of extreme violence the lack of affection between rulers and ruled finally caused the system s collapse but even after its demise the raj lives on in the false idea of the efficacy of centralized authoritarian power indians responded to the peculiar nature of british power by doing things for themselves creating organisations and movements that created an order and prosperity of its own india conquered revises the way we think about nation building as much as empire showing how many of the institutions that shaped twentieth century india pakistan and bangladesh were built in response to british power the result is an engaging story vital for anyone who wants to understand the history of empires and the origins of contemporary south asian society

l afrique noire comptait 180 millions d habitants en 1950 elle en dénombrait 680 millions en l an 2000 et on estime qu elle en aura presque 1800 millions en 2050 onu 2007 les économies du moyen orient et de l afrique du nord doivent créer 6 millions d emplois nouveaux d ici 2030 banque mondiale 2014 les chiffres donnés par les organismes de l onu l ined l afd et la banque mondiale sont angoissants la vague migratoire est bien devant nous les événements de 2015 n auront été qu un avertissement l auteur par ce travail transversal et documenté tente d apporter une réponse au plus lancinant des problèmes qui accablent notre forme de civilisation comment faire face vite et efficacement à l expansion démographique humaine ce livre expose les causes de la migration les raisons de la lenteur du développement peint le tableau des plus anciens célèbres et décisifs mouvements de populations montre les exemples de réussite économique qu il faut suivre et propose une solution concrète afin d éviter à la petite europe de recevoir sur ses épaules fragiles tout l espoir de deux mondes il rappelle aussi ce qui arrivera si nous échouons cet essai est une tentative audacieuse pour trouver un lieu de vie à deux générations nées au moyen orient et en afrique subsaharienne c est un acte d amitié vraie et de volonté il faut faire reculer l horizon au profit de ceux qui risquent de devenir sinon les déshérités du monde
