the time of freedom was the name that plantation workers campesinos gave to guatemalaÆs national revolution of 1944 1954 cindy forster reveals the critical role played by the poor in organizing and sustaining this period of reform through court records labor and agrarian ministry archives and oral histories forster demonstrates how labor conflict on the plantations prepared the ground for national reforms that are usually credited to urban politicians she focuses on two plantation zones that generated exceptional momentum the coffee belt in the highlands around san marcos and the united fruit company s banana groves near tiquisate although these regions were unlike in size and complexity language and race popular culture and work patterns both erupted with demands for workersÆ rights and economic justice shortly after the fall of castañeda in 1944 a welcome balance to the standard top down histories of the revolution forster s sophisticated analysis demonstrates how campesinos changed the course of the urban revolution by establishing the context of grassroots mobilization she substantially alters the conventional

view of the entire revolution and particularly the reforms enacted under president albenz

in the century after emancipation the long shadow of slavery left african americans well short of the freedom promised to them while sharecropping and debt peonage entrapped black people in the south european colonialism had bred a new slavery that menaced the liberty of even more africans a core group of black freedom movement leaders including ida b wells and w e b du bois followed their nineteenth century predecessors in insisting that the continuation of racial slavery anywhere put black freedom on the line everywhere they even predicted the consequences that ignited the recent nationwide black lives matter movement the rise of a prison industrial complex and the consequent erosion of african americans faith in the criminal justice system the freedom movement s lost legacy black abolitionism since emancipation is the first historical account of the black freedom movement s response to modern slavery in the twentieth century keith p griffler details how the mainstream international antislavery movement became complicit in the enslavement of black and brown people across the world through its sponsorship of racist international antislavery law that gave the new slavery explicit legal sanction black freedom movement activists thinkers and organizers did more than call out this breathtaking betrayal of abolitionist principles they dedicated themselves to the eradication of slavery in whatever forms it assumed on the global stage and developed an expansive vision of human freedom this timely and important work reminds us that the resurgence of today s black freedom movements is a manifestation and continuation of the traditions and efforts of these early black leaders and abolitionists an important chapter in the history of antislavery and the ongoing black freedom struggle

freedom in the world the freedom house flagship survey whose findings have been published annually since 1972 is the standard setting comparative assessment of global political rights and civil liberties the survey ratings and narrative reports on 195 countries and fifteen territories are used by policymakers the media international corporations civic activists and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide the freedom in the world political rights and civil liberties ratings are determined through a multi layered process of research and evaluation by a team of regional analysts and eminent scholars the analysts used a broad range of sources of information including foreign and domestic news reports academic studies nongovernmental organizations think tanks individual professional contacts and visits to the region in conducting their research the methodology of the survey is derived in large measure from the universal declaration of human rights and these standards are applied to all countries and territories irrespective of geographical location ethnic or religious composition or level of economic development
