developing the qualities that make ushering one of the most important functions in the church

celebrating women directors and their incredible contributions to filmmaking this fascinating survey includes a brief history about groundbreaking trailblazers in depth interviews with singular female directors and a comprehensive list of noteworthy talents and their films from the birth of cinema in the 1890s to the global box office today women directors

have had to work hard to tell their stories although they make up a small percentage of current filmmakers their contributions to the cinematic arts are both significant and unique in revelatory conversations with international filmmakers film critic and historian gates shines a light on their career spanning works from feminist pioneers and maverick independents to oscar winning directors these filmmakers include jane campion susan seidelman and mira nair through illuminating discussions the directors take readers on a deep exploration into their filmmaking processes and themes each is accompanied by illustrations of the filmmakers on location and vivid film stills offering a rare glimpse into the movie business they share stories of their unique journeys navigating the film industry in an era when most fans of film rely on the internet for information this curated collection of interviews is the ideal reference with insights directly from these trailblazing filmmakers themselves

the new negro consciousness with its roots in the generation born in the last and opening decades of the 19th and 20th centuries replenished and nurtured by migration resulted in the harlem renaissance in the 1920s then reemerged transformed in the 1930s as the black chicago renaissance the authors in this volume argue that beginning in the 1930s and lasting into the 1950s black chicago experienced a cultural renaissance that rivaled the cultural outpouring in harlem the black chicago renaissance however has not received its full due this book addresses that neglect like harlem chicago had become a major destination for black southern migrants unlike harlem it was also an urban industrial center that gave a unique working class and internationalist perspective to the cultural work that took place here the contributors to black chicago renaissance analyze a prolific period of african american creativity in music performance art social science scholarship and visual and literary artistic expression each author discusses forces that distinguished and link the black chicago renaissance to the harlem renaissance as well as placing the development of black culture in a national and international context by probing the histories of multiple sequential and overlapping philadelphia cleveland detroit los angeles memphis black renaissances among the topics discussed in this volume are chicago writers gwendolyn brooks and

richard wright the chicago defender and tivoli theater african american music and visual arts as well as the american negro exposition of 1940

the book first considers the use of gesture in the drama then proceeds to develop a theory on the meaning of gesture in the narrative this theory is then applied to kleist s michael kohlhaas and kafka s der prozess both texts are subjected to a thorough formal analysis which considers the functional meaning of gesture and describes the peculiarities of each author s style the result of these analyses is compared in the light of previous scholarship and an opinion is offered on the alleged stylistic link between the two authors

a work that will inspire cross cultural sensitivity this practical guide provides a road map to the basic worship practices of the major ethnic and cultural groups in north american protestantism in worship across cultures kathy black reports information about actual christian worship practices gathered in collaboration with persons who come from and minister with churches in twenty one different cultural contexts in the us this book is a uniquely valuable resource whether for pastors who regularly lead christian worship in cultural contexts beyond their own or for persons visiting worship in another context to attend a marriage or a funeral by approaching the study of worship through description of actual practices it will inspire cross cultural sensitivity as well as providing food for thought and new ideas for worship i heartily recommend it for laity pastors and seminary classes ruth duck garrett evangelical theological seminary

recounts the efforts of people to communicate without words using such means as the voice music color gestures pictographs and glyphs
