who says that english folk have no fairy tales of their own the present volume contains only a selection out of some 140 of which i have found traces in this country it is probable that many more exist a quarter of the tales in this volume have been collected during the last ten years or so and some of them have not been hitherto published up to 1870 it was said equally of france and of italy that they possessed no folk tales yet within fifteen years from that date over 1000 tales had been collected in each country i am hoping that the present volume may lead to equal activity in this country and would earnestly beg any reader of this book who knows of similar tales to communicate them written down as they are told to me care of the publishers the only reason i imagine why such tales have not hitherto been brought to light is the lamentable gap between the governing and recording classes and the dumb working classes of this country dumb to others but eloquent among themselves it would be no unpatriotic task to help to bridge over this gulf by giving a common fund of nursery literature to all classes of the english people and in any case it can do no harm to add to the innocent gaiety of the nation english fairy tales st george of merrie england the story of the three bears tom tit tot the golden snuff box tattercoats the three feathers lazy jack jack the giant killer the three sillies the golden ball the two sisters the laidly worm titty mouse and tatty mouse jack and the beanstalk the black bull of norroway catskin the three little pigs nix naught nothing mr and mrs vinegar the true history of sir thomas thumb henny penny the three heads of the well mr fox dick whittington and his cat the old woman and her pig the wee bannock how jack went out to seek his fortune the bogey beast little red riding hood childe rowland the wise men of gotham of buying of sheepof hedging a cuckooof sending cheesesof drowning eelsof sending rentof counting caporushes the babes in the wood the red ettin the fish and the ring lawkamercyme master
