this pioneering volume argues that cinema and television in Spain only make sense when considered together as twin vehicles for the screen fiction that has come to dominate the twenty first century offering comparative readings of films such as Pedro Almodóvar's classic *Women on the Verge of a Nervous Breakdown* with his production company's first foray into television production a 2006 series called *Women* alongside prize winning workplace dramas watched by thousands on Spanish television Alejandro Amenábar's *The Sea Inside* and the attempts to establish the dominant Latin American genre of the telenovela in the very different context of Spanish television

Spanishness in the Spanish Novel and Cinema of the 20th 21st century is an exploration of the general concept of Spanishness as all things related to Spain specifically as the multiple meanings of Spanishness and the different ways of being Spanish are depicted in 20th 21st century literary and cinematic fiction of Spain this book also represents a call for a re evaluation of what being Spanish means not just in post Franco Spain but also in the Spain of the new millennium the reader will find treatments of some of the crucial themes in Spanish culture such as immigration nationalisms and affiliation with the European Union as well as many others of contemporary relevance such as time memory and women studies that defy exclusivist and clear cut single notions of Spanishness these explorations will help contextualize what it means to be Spanish in present day

spain and in the light of globalization while also dissipating stereotypical notions of spain and spanishness

in a country where the richness of diverse cultures is often overshadowed by historical conflicts this book delves into the complex relationship between the so called center and periphery within spain s borders traditionally the center has symbolized castilian identity while the periphery encompassed other regional cultures but in today s rapidly evolving social landscape what do these terms really mean this groundbreaking work reexamines the center vs periphery paradigm through the lens of contemporary spanish literature cinema and media it poses critical questions about the existence and nature of a unified spanish identity and investigates whether the tension between these cultural spheres persists the book also challenges readers to consider which aspects linguistic gender or other forms of identity play the most significant role in this dynamic furthermore it scrutinizes whether marginalized groups such as bipoc lgbtq and differently abled communities are relegated to the periphery in modern spain with no other published work focusing on these issues in 21st century spain this book offers a fresh and nuanced perspective on cultural tensions that have shaped and continue to shape the nation its innovative approach makes it an indispensable reference for researchers and students in gender and women s studies queer studies media studies spanish literature and language as well as those exploring nationalism separatism race and blackness

under the franco regime 1939 1976 films produced in spain were of poor quality promoted the regime s agenda or were heavily censored after the dictator s death the spanish film industry transitioned into a new era one in which artists were able to more freely express themselves and tackle subjects that had been previously stifled today films produced in spain are among the most highly regarded in world cinema the encyclopedia of contemporary spanish films features nearly 300 entries on the written by a host of international scholars and film critics beginning with movies released after franco s death this volume documents four decades of films directors actresses and actors of spanish cinema offering a comprehensive survey of films the entries address such topics as art culture society and politics each includes comprehensive production details and provides brief suggestions for further reading through its examination of the films of the post franco period this volume offers readers valuable insights into spanish history politics and culture an indispensable guide to one of the great world cinemas the encyclopedia of contemporary spanish films will be of interest to students academics and the general public alike
