instruktionsbog for det amerikanske jagerfly fra 2 verdenskrig p 51 mustang

the f 82 twin mustang was conceived during wwii as a long range fighter escort like the p 51 it was designed by north american s brilliant engineer edgar schmued the f 82 utilized two extended p 51 fuselages mounted to a newly designed center wing and tail the plane incorporated new propeller assemblies and a unique four wheel landing gear in short while the plane would be cosmetically similar to the mustang in reality it was an entirely new beast the f 82 wasn t ready before wwii ended but the program escaped cancellation and planes entered operational service

in 1948 the f 82 became the last piston powered fighter ordered by the usaf it flew as an escort for sac b 29s and with distinction as a night fighter in korea it was retired in 1953 originally printed by the usaf and north american this pilot s handbook provides a glimpse inside the cockpit of this warbird originally classified restricted the manual was de classified and is here reprinted in book form

jackson gives a full operational record and dramatic account of the north american p 51 mustang which became synonymous with allied air superiority during world war ii

mustangs over korea is a documentary history of one of the most famous fighters ever built during a historically almost unrecognized war flown by four air forces in support of the united nations the f 51 mustang dropped more napalm and fired more rockets than any other aircraft during that conflict and in the process suffered the highest number of losses told is the story of the bravery of the fighter bomber pilots in the serious air to mud war against horrendous anti aircraft fire and also the first swirling air battles against the vaunted mig 15

fighter planes have always had a glamorous image but this book tells the real story chronicling their role worldwide over nearly 80 years as part of fighting units a range of different fighter operations are analyzed including campaigns in world war i korea vietnam and the falkland islands

used primarily as a long range bomber escort in raids over germany the north american p 51 mustang earned a reputation for toughness and agility in dogfights carrying a two stage supercharged v 12 merlin engine and armed with six 50 caliber machine guns the p 51 helped the allies gain air superiority in the skies over europe p 51s were flown by the famed tuskegee airmen and remained in service during the korean war world airforces made extensive use of the mustang some into the 1980 s originally published by north american aviation and the u s army air force in 1945 this manual was originally classified restricted it was declassified long ago and is here reprinted in book form this affordable facsimile has been reformatted and color images appear as black and white care has been taken to preserve the integrity of the text

as the first unit to fly the merlin engined p 51b in combat the 354th fighter group adopted the nickname pioneer mustang group until d day it escorted 8th af heavy bombers to targets on the european continent the group then moved to france and supported patton s third army from normandy to bavaria and also participated in the battle of the bulge its pilots scored over 600 confirmed air victories and forty three of them became aces this book is an almost day to day account of their aerial combat experiences and the gypsy lifestyle they and their support personnel

led as they moved from one airfield to another across western europe

this revised edition of the 1981 original now includes the challenger and voyager missions a fascinating recounting of the development of modern aircraft and the test pilots who flew them annotation copyrighted by book news inc portland or

the usAAF 52nd fighter group enjoyed an outstanding record in world war 2 this book describes the group's missions from its activation in 1941 to the end of the war
