resisting the urge to instruct with a more polemical voice the scm studyguide to church leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to christ and particular to the church

no sooner have they mastered the basics than students of theology can quickly find themselves in over their heads they are bombarded with claim and counter claim as soon as they want to tackle anything topical the contentious subjects tend to be the historical jesus gender and sexuality or the atonement other subjects might be less contentious but attract an astonishing excess of literature take the vast literature tackling the subject of the church for instance or the bloated body of tomes on various aspects of pneumatology this book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative it will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry

in this watershed book charles colson castigates today s consumer oriented mcchurch mentality that has christians flitting from church to church in search of soothing sermons and a feel good gospel
