the apocalyptic clashes of culture between the land hungry whites and the american indians which reached their climax in the latter half of the nineteenth century were among the most tragic of all wars ever fought these conflicts pitted one civilization against another neither able to comprehend or accommodate the other to the victor went domination of the continent to the vanquished the destruction of their way of life this volume describes those who took part in these wars focusing on the plains indians such as the sioux and the cheyenne the apache peoples of the south west and their implacable foe the us cavalry

driven by the iranian revolution of 1979 and the insecurities it provoked in saddam hussein

s iraqi dictatorship the iran iraq war would become the largest conventional conflict of the period curiously little known considering its scale and longevity the struggle between iran and iraq was primarily fought along the 1 458km border in a series of battles which despite both sides being armed with modern small arms armour and aircraft often degenerated into attritional struggles reminiscent of world war i such a comparison was underlined by frequent periods of deadlock the extensive use of trenches by both sides and the deployment of chemical weapons by iraq fully illustrated with specially commissioned artwork this study investigates the organization appearance and equipment of the ground forces of both sides in the iran iraq war including iraq s republican guards and iran s pasdaran or islamic revolutionary guard corps the war resulted in stalemate with some half a million dead and at least as many wounded the financial costs incurred in waging such a long and debilitating war were one of the spurs that led saddam hussein to invade kuwait barely two years later setting in motion one of the defining currents of recent middle eastern history
