remembering the english civil wars is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect the english civil wars were perhaps the most calamitous series of conflicts in the country s recorded history over the past twenty years there has been a surge of interest in the way that the civil wars were remembered by the men women and children who were unfortunate enough to live through them the essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of england and wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed the book will be essential reading for all students of the english civil wars stuart britain and the history of memory

see the civil war through the eyes of the people who lived through it spies soldiers generals escaping slaves nurses and more when one thinks of the american civil war it is easy to conjure up images of great generals developing brilliant strategies and influential politicians making historic decisions but there was a great deal more going on in this book you will find civil war stories most people have never heard before told by people who actually lived during those momentous times from intrepid young men who went aloft in balloons and viewed the enemy s position to the joys and miseries of the private soldier to the daring activities of secret spies laugh as sir henry morton stanley recounts his adventure as a young private raiding the farm of a unionist to forage for he and his messmates christmas dinner or be amazed as sarah edmonds tells how she disguised herself and made her way deep within confederate lines these accounts and many more make up this unique collection of amazing civil war stories from camp pranks to close bloody conflict and from the jubilation of victory to

the misery of defeat you can find it all in war stories the american civil war remembered by those who were there

this book provides readers with an overview of how americans have commemorated and remembered the civil war most americans are aware of statues or other outdoor art dedicated to the memory of the civil war indeed the erection of civil war monuments permanently changed the landscape of u s public parks and cemeteries by the turn of the century but monuments are only one way that the civil war is memorialized this book describes the different ways in which americans have publicly remembered their civil war from the immediate postwar era to the early 21st century each chapter covers a specific historical period within each chapter the author highlights important individuals groups and social factors helping readers to understand the process of memory the author further notes the conflicting tensions between disparate groups as they sought to commemorate their war a final chapter examines the present day memory of the war and current debates and controversies

twenty eight men and women recall their participation in the allied defeat of hitler

the first book length study of one of america s greatest military campaigns and triumphs led by winfield scott one of america s greatest generals shines a spotlight on the campaign that became a significant proving ground for west point educated officers and a formative combat school for many of the civil war s most prominent generals

in zamboanga remembered cesar lee brings to life his childhood home zamboanga city the exuberant freedom of growing up in the philippines during the 30 s and 40 s is counterbalanced by the effects of the depression and the japanese invasion of world war ii but children will be children no matter where they live or what their circumstances and zamboanga remembered provides a wonderful child s eye view of a world some of us can only imagine

this is the second volume of transcribed interviews about the poet dylan thomas journalist broadcaster and author colin edwards interviewed numerous sources close to thomas for a planned biography of the poet but he was unable to begin work before his early death the transcribed tapes have been edited into two collections this volume contains interviews with fred janes mably owen vernon watkins glyn jones and the villagers of dylan s stomping grounds of new quay south leigh and laughern as well as with many others including dylan s friends colleagues and acquaintances
