building on the success of the first edition this book provides a focused up to date introduction to the current themes and dimensions of educational leadership through contributions from some of the leading authors in the field each chapter introduces the reader to a key aspect of leadership this new edition has been fully updated to include recent developments new chapter summaries and further reading and a new chapter on developing leadership written in an accessible style this book is essential reading for school leaders who wish to have a better understanding of their

leadership role it is also suitable for masters doctoral students worldwide and will give those on professional development courses a valuable insight into school leadership

features thirty teachers and researchers who share their reflections on the practice of the problem based and project organised teaching model pbl which has been applied in the faculties of engineering and science humanities and social science at aalborg university since 1974

this book engages students in a meaningful exposure to the ideals of the american criminal justice system cj realities and challenges fourth edition translates the passion that we feel in the classroom into a learning program that nourishes students enthusiasm for the field while dispelling widely held myths cj realities and challenges fourth edition encourages students to think critically about how the american criminal justice system operates in practice recognizing the myths and interpreting the facts underlying the system lead to an appreciation of its complexities students who succeed in this course will emerge with a realistic understanding of the system and of the opportunities that await them if they should choose to pursue a career in criminal justice

research has shown that school leadership is second only to classroom teaching in its effect on pupil learning as the demands on management teams become ever more complex this volume offers a fresh and expansive view on the challenges to be met in developing a leadership career with contributions from some of the most accomplished commentators on school leadership and management from around the world this book moves away from the simple how to of becoming a principal focusing instead on the wider issues of becoming a successful leader the central aim has been to assemble powerful statements from international authorities that encapsulate leading edge thinking on a group of interconnected themes based on the notion of developing successful leadership in and beyond schools in so

doing the text examines strategies for existing leaders developing their full capacity as well as enhancing the skills of those new to or aspiring to a leadership role the chapters contributed by a carefully selected group of leading educationalists present insights on a number of central themes including developing new skill sets in leadership the ethical and moral dimensions of leading an organisation leadership for instructional and pedagogical success developing leadership capacity and capability through strategic activity rather than taking a technical approach of how to undertake the managerial or administrative tasks the authors seek instead to develop critical leadership perspectives and skills with chapters on vitally important topics such as strategies for maximizing the potential of the leadership team as a whole they draw not only upon the literature in the field of educational leadership but also a wider literature in the field of business and management this diversity of perspective ensures this book s appeal to a broad international readership

growth in the scope scale and importance of higher education regionalization should not be underestimated or ignored africa like asia europe and latin america is promoting deeper cooperation among higher education bodies and institutions across the continent and focusing more attention on pan african and sub regional harmonization of policies and programmes this is the first book which brings together diverse scholars and policy experts to examine key aspects and challenges of african higher education regionalization chapters examine the progress and prospects of core regionalization issues and strategies such as academic mobility quality assurance recognition of qualifications research centres and networks curriculum and competencies and regional academic programmes other chapters discuss important themes such as the relationship between regionalization internationalization and africanization historical antecedents and perspectives an analytical model to understand functional organizational and political approaches to africa s higher education regionalization and the influence of the bologna process on the african union s strategy for

the harmonization of higher education programmes together these chapters provide a comprehensive overview of efforts by the african union sub regional higher education associations such as iucea sarua and comes pan african organizations and actors key research networks and centres of excellence and the involvement or dependence on external actors and funders especially from europe fundamentally the book asks the question whether higher education regionalization in africa is more rhetoric than reality it discusses the progress to date on specific themes identifies historical political sustainability and funding challenges and concludes that while the impacts of regionalization efforts have not been fully realized there is cautious optimism for the future

cj realities and challenges fifth edition provides a uniquely interdisciplinary view of criminal justice not found in any other text as both academics and practitioners with diverse backgrounds in law enforcement the courts corrections and victim services we provide a comprehensive contemporary and realistic perspective on these vital institutions we wrote this text using a highly collaborative process to ensure that each branch of the criminal justice system was thoroughly represented we organized our research writing and editing efforts as a peer review circle each chapter was the product of an ongoing iterative review by the entire author team
