this companion to the classical quarterly contains reviews of new work dealing with the literatures and civilizations of ancient greece and rome over 300 books are reviewed each year

in playing the changes craig hansen werner presents a polyrhythmic approach to the continuities and discontinuities of the american literary tradition he focuses on the relationship between two superficially distinct traditions european post modernism and african american culture in both literary and musical forms a primary contribution of playing the changes is its exploration of different phrasings of issues important to highly conscious african american artists from the late nineteenth century charles chesnutt s the conjure woman to the 1990s toni morrison s jazz a final sequence highlights the centrality of black music to african american writing arguing that recognizing blues gospel and jazz as theoretically suggestive cultural practices rather than specific musical forms points to what is most distinctive in twentieth century african american writing its ability to subvert attempts to limit its engagement with psychological historical political or aesthetic realities
