a masterful introduction to world mythology shedding light on the impact it has had on cultures past and present and untangling the complex web of deities monsters and myths

examines the universal themes of myths from cultures ranging from ancient egypt and greece to christianity and modern science analyzing how different cultures and societies have addressed fundamental human concerns and experiences

myth ritual and religion is a classic mythology studies text by andrew lang when this book first appeared 1886 the philological school of interpretation of religion and myth being then still powerful in england was criticised and opposed by the author in science as on the turkish throne of old amurath to amurath succeeds the philological theories of religion and myth have now yielded to anthropological methods the centre of the anthropological position was the ghost theory of mr herbert spencer the animistic theory of mr e r tylor according to whom the propitiation of ancestral and other spirits leads to polytheism and thence to monotheism in the second edition 1901 of this work the author argued that the belief in a relatively supreme being anthropomorphic was as old as and might be even older than animistic religion when this book first appeared 1886 the philological school of interpretation of religion and myth being then still powerful in england was criticised and opposed by the author in science as on the turkish throne of old amurath to amurath succeeds the philological theories of religion and myth have now yielded to anthropological methods the centre of the anthropological position was the ghost theory of mr herbert spencer the animistic theory of mr e r tylor according to whom the propitiation of ancestral and other spirits leads to polytheism and thence to monotheism in the second edition 1901 of this work the author argued that the belief in a relatively supreme being anthropomorphic was as old as and might be even older than animistic religion this theory he exhibited at greater length and with a larger collection of evidence in his making of religion since 1901 a great deal of fresh testimony as to what mr howitt styles the all father in savage and barbaric religions has accrued as regards this being in africa the reader may consult the volumes of the new series of the journal of the anthropological institute

which are full of african evidence not as yet discussed to my knowledge by any writer on the history of religion as late as man for july 1906 no 66 mr parkinson published interesting yoruba legends about oleron the maker and father of men and oro the master of the bull roarer

myth and knowing is by far the most comprehensive world mythology textbook the text reader format provides both jargon free discussions of current themes and thinkers in the ongoing scholarly conversation about myth and a broad selection of complete myths chosen for literary merit and the cultural sensitivity of their translations rather than being genre driven the book emphasizes the psychological religious and cultural meanings of myth presenting these with the intent of fostering in students a love of literature
