celebrated as a poet novelist and non fiction writer and the winner of numerous major literary prizes including the whitbread poetry prize the t s eliot prize and the james tait black memorial prize john burnside is one of britain s leading contemporary writers john burnside contemporary critical perspectives brings together leading scholars of contemporary

literature to guide readers through the full range of the author's writings from his fiction and poetry to his autobiographical and nature writing exploring texts such as *The Dumb House*, *The Light Trap*, *A Lie About My Father*, *Glisten* and *Black Cat Bone*. The book examines the major themes of Burnside's work including the environment and the natural world, hauntings and dwelling and his intertextual engagement with philosophy, music and the visual arts, featuring a timeline of Burnside's life, an interview with the writer himself and a detailed list of further reading. This is the first authoritative guide to this major contemporary writer.

This engaging and concise text offers the student and the general reader a compact, readable treatment of British membership of the European Union from 1973 to the present day. It provides a highly distilled and accessible analysis and overview of some of the parameters and recurring features of Britain's membership of the European Union, touching on all of the major facets of membership. Key features examined include the constant and changing character of British membership of the European Union. EU discusses the problematical and often paradoxical features of membership, familiarizes the reader with both academic and public debates about the subject, offers thematic treatment of all aspects of policy and attitudes towards the EU, provides an overview of the main landmarks in the history of the EU since 1973, presents the most comprehensive and up-to-date text on the course and result of the EU referendum campaign. This book will be of key interest to scholars, students and the generally interested reader in the areas of European studies, British politics, EU studies, area studies and international relations.

This text engages students with the ethical decisions faced by health care professionals every day, based on principles and applications in health care ethics and the law. This text extends beyond areas that are often included in discussions of political philosophy and the principles of justice.
