after my tenure as national president of the navy league and after i think perhaps i have nothing to prove i was wrong i am asked to speak at the annual thursday night dinner of the submarine veterans of wwii in november 2008 i came in at the last minute and sat down at the designated table full of submarine veterans and their wives i was the last one to sit down the submarine veteran next to me listens while we visit at the table for a few minutes and then turns to me and says what are you doing here you don t know anything about us you aren t a submariner why should you be speaking to us and i thought here we go again

the islamic revolutionary guards corps irgc has been dubbed the kingmaker in recent studies of iranian politics precipitating heated debates surrounding the potential militarization of the iranian regime and giving rise to paradoxical understandings of the irgc whether as a military institution entering politics or a political institution with a military history revolutionary guards in iranian politics offers a way out of this paradox by showing that the irgc is not a recently politicized institution but has instead been highly politicized since its inception it identifies the ways in which the irgc relates to national political dynamics examines the factors contributing to this relationship and its implications on iranian politics from the revolution up to the present day the book examines the three decades following the revolution uncovering the reasons behind the rise of

the revolutionary guards and tracking the organization's evolving relationship with politics establishing a theoretical framework from revolution and civil military relations theories this book provides new perspectives on the relationship between the IRGC and Iranian politics this book would be of interest to students and scholars of Middle East studies and Iranian studies in particular Iranian politics
