this book launches a proposal to fill some empirical and theoretical gaps that presently exists in populism studies by looking at the potential nexus between populist phenomena and popular culture it provides a detailed account of the multiple mechanisms linking the production of pop music as a form of popular culture to the rise and reproduction of populism the authors use a case study of italy to interrogate these mechanisms because of its long lasting populist phenomena and the contextual importance of pop music the book s mixed methods strategy assesses three different aspects of the potential relationship between pop music and populist politics the cultural opportunity structure generated and reproduced by the production of music the strategies political actors use to exploit music for political purposes and crucially the ways fans and ordinary citizens understand the relationship between pop music and politics and subsequent debates and identities moving from the case study the book in its last chapter offers a more general understanding of the associations between pop music and populism

this book provides research findings and practical information on online communication strategies in politics based on communication research and real world political campaign experience the author examines how to use the and social media to create public visibility build trust and consensus and boost political participation it offers a useful guide for practitioners working in the political arena as

well as for those managing communication projects in institutions or companies

examining the astronomical alignments of the main egyptian monuments the author shows that almost none of them is oriented to the rise or set of sirius or orion at the time of construction how is it possible the reader will discover that in reality all are oriented in some way to the rising points of the stars of orion or sirius when they were in the extreme phases of their cycle since there is not only one of the most important egyptian monuments that escapes this rule of orientation it is evident that it was the true secret technique behind these choices being a specialist in stellar astrology in the last part of the book the author shows how these stellar mechanisms have worked well beyond the field of archaeoastronomy he illustrates the most important encadrement by declination active for thousands of years and still active involving some of the brightest stars in the firmament we will see how and why giza and jerusalem been the places where it has most strongly manifested the greatest effects in the field of sacred and religions albeit in different ways and for different reasons the truth is that the sacred astronomy practiced by the egyptians is completely unknown to contemporary scholars moreover it was not a simple belief or superstition of that people it is the supreme science that describes how the cosmos really works and not only for the events of sacred history the egyptian priests and initiates probably derived this knowledge from a tradition dating back to the dawn of time since these stellar configurations regulate not only the most important events of sacred and prophane history but also the places the events that occur their knowledge may open new scenarios for human knowledge far superior and far more radical of the much acclaimed scientific discoveries that are not able to identify the primary and occult causes of events nor to reveal the mystery that surrounds our existence

this book explores the activism of the italian collective wu ming engaging in a dynamic conversation with critical theory post workerist philosophy and eco criticism saporito illuminates how wu ming s forms of protest radically challenge neoliberal models of subjectivity through a revived commitment to an eco centric ethics the book charts how wu ming s interventions combining embodied literary and online activism aim to performatively create life rhythms practices and ultimately a political subjectivity alternative to fast paced anthropocentric models imposed by neoliberal apparatuses in depth analyses of wu ming s participation in the 27th genoa g8 summit literary texts and online presence define the trajectory of their interventions which moved from a traumatic repudiation of neoliberal apparatuses in genoa to a thorough exploration of how these apparatuses produce and control subjectivity wu ming s literary texts invite the reader to grasp the complexity of the human non human relations these apparatuses exploit while affirmatively exploring eco centric ethical relations to the non human other wu ming open their bodies to these relations via hikes walks and performances where they try out slow paced life rhythms and experiment with the non human affordances of multiple media wu ming s transmedia activism links these offline initiatives with online strategies that promote the collective creation of critical content slow down online users fast paced experience and mobilise a network of human and non human agents that re energise embodied street actions

this volume brings together leading international experts in politics discourse memory and culture to examine the complex entanglements of populism s and fascism s in political thought and cultural productions the starting point is argentine historian federico finchelstein s assertion that the dynamics of transnational fascism and populist movements become clearer when viewed from the margins indeed it was in latin america not europe where fascism and populism first intersected with argentine peronism as the paradigmatic case building on this perspective the volume explores europe s political and cultural legacy of fascism within the context of globalised mobilities linking its totalitarian roots to the latin american genealogies of populism s adopting an interdisciplinary transnational and transhistorical approach and cultural transfer as a method it investigates cultural representations and practices that both reflect and challenge the divisive us versus them rhetoric central to fascist and populist discourses particular attention is given to how cultural artefacts and practices memorialise remediate and oppose narratives of fascism s and populism s with the assumption that anti fascist art and activism still move along transatlantic trajectories this book will be of interest to researchers of fascism populism social and cultural history european and latin american history literature art and activism

the rise of nationalist populism explores the intersection between populism and nationalism conducted through the discursive analysis of three populist radical right parties that have gained prominence during the 2010s rassemblement national france lega italy and vox spain due to its rise in europe the united states and further afield there is a growing interest in right wing populism an exclusionary and illiberal form of populism that has been able to attain success in several countries this book contributes to the analysis of how populism understood as a way of constructing the political is shaped by the ideologies that permeate it it examines how a certain form of nationalism is shaped by populist dynamics that is by a certain form of identity building the book analyses the intersection between nationalism and populism in right wing populist parties by using a discourse analysis methodology based on ernesto laclau s works thus conducting an examination similar to the ones presented by the essex school of discourse analysis the empirical analysis focuses on party literature and carefully selected candidate speeches at a national level for its three case studies as well as providing an overarching comparison the book shows how the economic crisis and the irruption of issues related to sovereignty and national identity arising in france italy and spain paved the way for the emergence of their respective right wing populist forces the book will appeal to researchers and students of political science especially those with an interest in populism discourse analysis identity and the far right

svezia 1910 liv non si sente oppressa solo dal corsetto che indossa ogni giorno ma anche dal matrimonio con l armatore sten boregard che la lascia sempre sola per occuparsi del suo lavoro e addirittura si rifiuta di accompagnarla al funerale del padre il desiderio di fuggire si rafforza quando incontra marlene un operaia della fabbrica di lampade di karlskrona una donna abituata alla fatica e

che nonostante i momenti difficili degli ultimi anni e l'emarginazione in cui vive riesce a non buttarsi giù e a preoccuparsi di chi è meno fortunato di lei. Liv è affascinata dallo spirito di libertà, dalla resistenza e dalla voglia di fare di Marlene e le due presto diventano amiche e così quando eredita Rosenhag una casa nella foresta con rigogliosi cespugli di rose rampicanti nasce un'idea audace: creare un rifugio per donne in difficoltà. Un'impresa non facile in un'epoca in cui anche solo indossare un paio di pantaloni è visto come un oltraggio alla decenza, un segreto che potrebbe metterle in serio pericolo. Ma in fondo non è mai troppo tardi per lottare per la propria indipendenza. Dopo due anni di assenza dagli scaffali, Corina Bomann torna con una storia di amicizia tutta al femminile che ci invita a non dare per scontato il supporto che le donne possono e devono darsi l'un l'altra perché la solidarietà e la sorellanza sono importanti tanto quanto l'amore romantico.

La storia di un amore in costante trasformazione perché quando i ricordi diventano sassi che trascinano a fondo. L'amore ci insegna ancora una volta la fiducia nella vita e nei suoi doni. Un romanzo forte, diretto, un pugno allo stomaco per chi legge. 7 Corriere della Sera. Una saga familiare piena di colpi di scena. Diva e donna, due gemelle divise da una scelta, due vite da riavvolgere, un unico amore in grado di unirle ancora. C'è qualcosa di grandioso in una merla che costruisce il suo nido. La voglia prepotente di credere nella vita e lasciare che vada dove deve andare, costi quel che costi. C'è il suono melodioso e magico della speranza. Le gemelle Ariele e Rebecca, di origine ebraica, non potrebbero essere più diverse. La prima, occhi così limpidi che ci si può vedere attraverso, è timida e schiva. La seconda, penetranti occhi verdi, è una ribelle pronta a sfidare tutto e tutti pur di non subire la vita. Ma Ariele possiede un talento che Rebecca non ha: fa sogni premonitori, una fortuna e una condanna perché spesso le cose che vede accadono senza che lei possa impedirlo. A nulla infatti servono quei sogni quando l'odio nazista si riversa sul paese in cui hanno trovato riparo. Così la loro madre, Giuditta, si trova costretta a prendere una decisione cui nessuno dovrebbe essere chiamato: può salvare solo una delle figlie e sceglie di salvare Ariele affidandola alle cure di un'amica e di portare con sé ad Auschwitz. Rebecca, convinta che il suo carattere forte potrà salvarla, una decisione che lascia un segno indelebile nella storia di tutta la famiglia. Negli anni a venire, Rebecca che sopravvive all'orrore dei campi, chiude il suo cuore al mondo e decide che a nessuno sarà più permesso di calpestarlo. Al contrario, Ariele cerca di non sprecare l'occasione che le è stata offerta, accoglie l'amore che le viene dato e se ne fa portavoce nella vita di tutti i giorni senza mai tirarsi indietro. Anche quando Rebecca, con la quale non è più riuscita a ricostruire un rapporto, bussa alla sua porta e le chiede di occuparsi di una figlia, la sua, che non riesce nemmeno ad abbracciare. Una bimba cui ha voluto dare un nome che racconta tutta una storia. Catena talvolta i ricordi sono come sassi che possono trascinarci a fondo, bloccando in un freddo sincopato respiro gli ingranaggi del cuore. Con il volo dei cuori sospesi, Elvia, grazie, ci porta dritto al centro di uno dei periodi più bui della storia per mostrarci che non c'è sofferenza in grado di durare per sempre. Quando meno ce lo aspettiamo, la speranza rimette in moto il volano delle emozioni e ci proietta in un futuro dove c'è ancora posto per l'amore, quello per cui vale la pena di lottare sempre.
