an investigation of the response of american jews to nazism and the extermination of european jewry the demand for jewish statehood politicized the rescue issue and made it impossible to appeal for american aid on purely humanitarian grounds berman tries to understand the constraints within which american jews operated annotation copyrighted by book news inc portland or

drawing on the latest research on the atomic bomb and its history the contributors to this provocative collection of eighteen essays set out to answer two key questions first how did the atomic bomb a product of unprecedented technological innovation rapid industrial scale manufacturing and unparalleled military deployment shape u s foreign policy the communities of workers who produced it and society as a whole and second how has american society s perception that the the bomb is a means of military deterrence in the cold war era evolve under the influence of mass media scientists public intellectuals and even the entertainment industry in answering these questions the atomic bomb and american society sheds light on the collaboration of science and the military in creating the bomb the role of women working at los alamos the transformation of nuclear physicists into public intellectuals as the reality of the bomb came into widespread consciousness the revolutionary change in military strategy following the invention of the bomb and the development of cold war ideology the image of the bomb that was conveyed in the popular media and the connection of the bomb to the commemoration of world war ii as it illuminates

the cultural social political environmental and historical effects of the creation of the atomic bomb this volume contributes to our understanding of how democratic institutions can coexist with a technology that affects everyone even if only a few are empowered to manage it rosemary b mariner is formerly joint chiefs of staff chair and professor of military studies for the national war college she is currently a lecturer in history at the university of tennessee knoxville g kurt piehler is associate professor of history and former director of the center for the study of war and society at the university of tennessee knoxville which hosted the conference that formed the basis of this volume he is the author of remembering war the american way and world war ii in the american soldiers lives series as well as the coeditor with john whiteclay chambers ii of major problems in american military history

manhood and american political culture in the cold war explores the meaning of anxiety as expressed through the political and cultural language of the early cold war era cuordileone shows how the preoccupation with the soft malleable american character reflected not only anti communism but acute anxieties about manhood and sexuality reading major figures like arthur schlesinger jr adlai stevenson joseph mccarthy norman mailer jfk and many lesser known public figures cuordileone reveals how the era s cult of toughness shaped the political dynamics of the time and inspired a reinvention of the liberal as a cold warrior

silent film and the triumph of the american myth is a broad cultural study that connects the rise of film to the rise of america as a cultural center and world power in the twentieth century cohen argues that through the medium of silent film america was able to sever its literary and linguistic ties to europe assert its cultural independence and forge a unique form of cultural expression silent films drew on elements developed in popular forms of representation like photography landscape panoramas and vaudeville performance to create a medium that more accurately represented the american experience

the half century since the end of world war ii has been crucial in defining america s image of itself and role in the world a thorough survey of an era dominated by the cold war on the international front and conflicting social forces at home this authoritative reference volume details every aspect of a turbulent age it features brief biographical vignettes of notable political and civil leaders from eleanor roosevelt to newt gingrich insightful portraits of prominent cultural icons from allen ginsburg and elvis to billy graham and jackie robinson informative analyses of major political events from the yalta conference and the cuban missile crisis to watgate brief histories of pivotal armed conflicts from the korean war and the invasion of lebanon to the persian gulf war articles on social and cultural milestones from woodstock to suburban migration to the world wide summaries of such crucial documents as the civil rights act the voting rights act and the equal rights amendment descriptions of groundbreaking legal cases such as roe v wade miranda v arizona and brown v board of education of topeka kansas profiles of major civil rights movements such as black nationalism and feminism explanations of political and social concepts such as affirmative action consumer culture and mccarthyism authoritative accounts of momentous episodes spurred by social protest such as the montgomery bus boycott and the kent state university shootings further reading lists and cross references following each entry a detailed chronology the issues that united and divided americans during the second half of the century the civil rights movement the vietnam war the cold war are discussed in lively objective articles which breathe life into the events and people that have shaped our nation more than 200 illustrations including photographs posters and ephemera such as political campaign buttons make postwar america a student companion an excellent introductory resource for students and all readers interested in modern history oxford s student companions to american history are state of the art references for school and home specifically designed and written for ages 12 and up each book is a concise but comprehensive a to z guide to a major historical period or theme in u s history with articles on key issues and prominent individuals the authors
