reuven ben yosef 1937 2001 was born robert eliot reiss to an assimilated jewish family in new york he switched from writing english poetry to hebrew poetry after his immigration to israel in 1959 he is the author of more than a dozen volumes of superb hebrew poetry as well as two collections of essays and two novels and he won literary honors such as the levi eshkol prize the bar ilan university prize and the neuman and kovner prizes for hebrew literature at the center of his oeuvre is the sequence of poems he wrote in the 1970s called mikhtavim la amerikah letters to america a searing and confessional set of addresses in the form of letters to his family members none of whom however could read hebrew and to american jewry as a whole in this edited volume weingrad includes not only these expertly translated poems but also an extensive fascinating introduction that helps us see ben yosef s personal poetry as part of a larger family story while ben yosef was writing about his american family members they were writing about him ben yosef s younger brother poet james reiss began publishing highly praised collections of poems in the 1970s and addressed conflicts with his brother in a number of poems ben yosef s brother in law novelist william luvaas published a first novel that was clearly based upon the reiss family ben yosef s letters to america are therefore joined by his family members letters to israel through which the reiss family collectively created its own literature of the american israeli relationship in miniature the conflicts and rifts rivalries and loyalties of family members and competing homelands this essential introduction which also describes ben yosef s early life as an american and the challenges of becoming an israeli poet writing in hebrew enriches our understanding of the deeply personal poems collected in the rest of the volume weingrad compellingly argues that ben yosef s poems though seemingly local in their explicit israeli audience and address implicitly speak to jews in america about assimilation heritage and the struggle between competing identities

the second in a two volume bibliography on church state relations in u s history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the civil war to the present day each essay reviews the available relevant literature and the listings emphasize critical studies and documents published in the last quarter century this reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively

among the many german immigrants to the united states over the years one group is unusual former prisoners of war who had spent between one and three years on american soil and who returned voluntarily as immigrants after the war drawing on archival sources and in depth interviews with 35 former prisoners who made the return the book outlines the conditions that defined their unusual experiences and traces their journeys from captive enemies to american citizens although the respondents came from different backgrounds and arrived in america at different times between 1943 and 1945 their experiences as prisoners of war not only left an indelible impression they also provided them with opportunities and resources that helped them leave germany behind and return to the place where we had the good life

approaches to american cultural studies provides an accessible yet comprehensive overview of the diverse range of subjects encompassed within american studies familiarising students with the history and shape of american studies as an academic subject as well as its key theories methods and concepts written and edited by an international team of authors based primarily in europe the book is divided into four thematically organised sections the first part delineates the evolution of american studies over the course of the twentieth century the second elaborates on how american studies as a field is positioned within the wider humanities and the third inspects and deconstructs popular tropes such as myths of the west the self made man manifest destiny and representations of the president of the united states the fourth part introduces theories of society such as structuralism and deconstruction queer and transgender theories border and hemispheric studies and critical race theory that are particularly influential within american studies this book is supplemented by a companion website offering further material for study [routledge.com cw dallmann](http://routledge.com/cw/dallmann) specifically designed for use on courses across europe it is a clear and engaging introductory text for students of american culture
