this pamphlet acts as both an introduction to drama for beginner students and as a reference book for more advanced students the focus is on the play as blueprint for production and as literary work back cover

excerpt from preface to drama an introduction to dramatic literature and theater art this textbook for undergraduates is a systematic introduction to dramatic literature within a theatrical context and to theater art within a literary context it comprises two parts part one the preface consists of five essays on dramatic theory to which are added five shorter plays as examples with introductory notes and commentary the point of view of the essays is psychological and the drama is observed in its relation to common elements in human behavior consideration of it is controlled by the discriminating use of certain literary and theatrical terms thoughtful analysis of the content of a play enforces close interpretation of the lines and the patterning of the complex dramatic experience this in turn calls for recognition of the theatrical potential of the playscript and

for unusually creative reading once fully realized the play then invites discussion in historical perspective and critical consideration of its form and ideas part two the plays is an anthology of eight longer dramas preceded by introductory notes and followed by pairs of selections from dramatic criticism the plays in preface to drama counting the short ones in part one make up a baker's dozen representative of our western civilization here are exemplified the short play the medium and the long comedy tragedy and other types classical romantic and realistic ancient more modern and contemporary european british and american a handful of the great historic dramatists are here sophocles shakespeare and moliere so too are the several fathers of modern drama ibsen shaw and o'neill and here as well are significant recent dramatists tennessee williams and arthur miller modern literary playwrights laurence housman and thornton wilder rub elbows with theatrical actor dramatists noel coward and howard lindsay even the librettist w s gilbert has his niche but the plays selected for inclusion are not merely representative they have proved to be evocative of student interest and of class discussion whether for their enduring values or for their immediate relevancy about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

gathers a variety of plays from early theater in classical greece to modern comedy drama and musicals and provides a brief introduction to each work

this introduction to drama explores the aims and techniques of the particular playwrights and their plays

the seven plays in this anthology are drawn from the whole span of western drama and in each a version of the generational conflict is inherent in the theme and central action of the play in each play youth is attempting to free itself from the restrictions imposed upon it by the authority of the prevailing power structure parental political or social

introduction to theatre a direct approach addresses the student who is not a theatre major but is taking a single course the text attempts to address the most salient points pertinent to a beginning theatre course
