the analysis of the formation processes and manifestations of political culture in the domain of international relations and organization lacks a concrete theoretical and methodological framework however the main theoretical and methodological deficits seem to be related to the need for a clear cut definition of the concept itself as well as to the integration of political science methodological tools into the international institutional law debate this book considers the basic theoretical and methodological requirements for the use of political culture as a conceptual tool in the field of international organization research moreover it applies the core theoretical and methodological assumptions to three case studies namely the united nations the council of europe and the european union which are perceived as agents of distinct political cultures in the international system

a collection of work by leading feminist scholars engaging with the question of the political status of poststructuralism within feminism and affirming the contemporary debate over theory as politically rich and consequential

joint winner of the carole pateman gender and politics book prize 2023 auspsa org au prizes and awards carole pateman gender and politics book prize the politics of trauma and integrity uses the lenses of gender and trauma to tell the stories of narratives testified by two contrasting japanese comfort women survivors through an innovative interdisciplinary study of the politics of gendered memory and trauma in a historical context with numerous primary sources for analysis including diaries interviews letters and oral testimonies this book uncovers the life or death struggles of japanese survivors in pursuit of public recognition as the victims of state violence against women it is set within a gender history of modern japan supplemented by feminist activist methodology premised upon political agency that seeks social justice the author s analysis draws upon three key concepts trauma coherence of the self and integrity focusing upon the role of gender and trauma as the nexus between memory construction and identity formation in modern japan the author reveals these women s relentless quest for their recovery and the creation of new identities this book provides a better understanding of the victims of sexual violence and encourages readers to listen to the voice of trauma as well as making a significant contribution to the existing research on the ongoing history of sexual violence against women in japan the rest of asia and beyond it will be of interest to scholars researchers activists and all who are concerned about the issue of women s human rights it provides supplementary reading and research material for history and politics courses relating to japan and east asia memory identity trauma gender war and feminist activism this book will also be beneficial to victims of sexual violence as well as the counsellors psychologists engaging with them chapter 4 of this book is freely available as a downloadable open access pdf under a creative commons attribution non commercial no derivatives 4 0 license available at taylorfrancis.com

first published in 1992 the federal budget has attained unparalleled significance at the heart of american politics in the last quarter of the twentieth century the modern budget system has become the mechanism by which a distinctively american administrative state was put in place and made operative the growth of the administrative state has transformed politics in america but many americans are unaware of its existence this study looks at budget control within the realms of congress the presidency and the development of the administrative state

this book examines the intersection of caste and politics in north india and highlights its contribution to the anthropological study of democracy it argues that the long term process of internalization of democracy within the caste body has fundamentally changed the workings of the indian party system drawing on an in depth ethnographic case study of the gujjars a marginalized caste group in india the book presents a systematic analysis of the political mobilization and culture of political participation of the other backward classes to understand why and how certain caste groups have been more successful in politics than others it discusses various key themes such as popular democracy and the politics of caste regional politics and territoriality myth legends and heroes in the gujjar community the transition from lineage deities to caste deity and the re formation of caste community identity it reveals the symbiotic relationships between religion and caste and shows how religion shapes contemporary caste the book makes an important contribution to the study of marginalised groups and their politicization and fills a significant gap in the political sociology of india it will be useful for scholars and researchers of sociology history exclusion studies dalit studies political studies history social anthropology and south asian studies

is commitment to god compatible with modern citizenship in this book daniel h weiss provides new readings of four modern jewish philosophers moises mendelssohn hermann cohen franz rosenzweig and walter benjamin in light of classical rabbinic accounts of god's sovereignty divine and human violence and the embodied human being as the image of god he demonstrates how classical rabbinic literature is relevant to contemporary political and philosophical debates weiss brings to light striking political aspects of the writings of the modern jewish philosophers who have often been understood as non political in addition he shows how the four modern thinkers are more radical and more shaped by jewish tradition than has previously been thought taken as a whole weiss book argues for a fundamental rethinking of the relationship between judaism and politics the history of jewish thought and the ethical and political dynamics of the broader western philosophical tradition

why the greeks how did it happen that these people out of all mediterranean societies developed democratic systems of government the outstanding german historian of the ancient world christian meier reconstructs the process of political thinking in greek culture that led to democracy he demonstrates that the civic identity of the athenians was a direct precondition for the practical reality of this form of government meier shows how the structure of greek communal life gave individuals a civic role and discusses a crucial reform that institutionalized the idea of equality before the law in greek drama specifically aeschylus oresteia he finds reflections of the ascendancy of civil law and of a politicizing of life in the city state he examines the role of the leader as well as citizen participation in athenian democracy and describes an ancient equivalent of the idea of social progress he also contrasts the fifth century greek political world with today's world drawing revealing comparisons the greek discovery of politics is important reading for ancient historians classicists political scientists and anyone interested in the history of political thought or in the culture of ancient greece

from its very beginnings theatre has been both an art and a public space shared by actors and spectators as a result its entity and history is intimately tied to politics a politics of inclusion and exclusion of distributions and placements of spatial appropriation and utopian concepts this collection examines what is at stake when a theatrical space is created and when a performance takes place it asks under what circumstances the topology of theatre becomes political the book approaches this issue from various angles taking theatre as a cultural paradigm for political dimensions of space in its respective historical context visiting

the political dimensions of theatrical space in both theatre history and contemporary performance the volume responds to the so called spatial turn in cultural and historical studies and questions a politics of aesthetics that is discussed in continental philosophy the book visits different levels and linkages between aesthetic theory and geography art and sociology architecture and political theory and geometry and history shedding new light on theatre politics and space thereby transforming this historically intertwined triad into a transdisciplinary theme

fully up to date to reflect the evolving medvedev presidency the 2008 georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary russian politics

thesis m a from the year 2012 in the subject politics topic european union grade merit london school of economics european institute course politics and government in the eu language english abstract the non compliance to the stability and growth pact in the early 2000 s was a direct challenge to the co operative virtue of eu fiscal governance and the fact that its occurrence played little role in affecting the stability for europe s most significant achievement yet the single currency was in itself a truly peculiar incident betrayed by the deeds of the two locomotives of the european project germany and france only four years after the adoption of the euro yet the currency strides on and none of the adverse effect that economists feared had happened but was that it the fact that both of these nations could escape sanction by coercing other nations in debt to vote against a punishment for their excessive fiscal deficit announced a deep functional fault in the enforcement of agreed eu treaties on the commission s part and knowing that the stability of the euro hinged upon an incomplete fiscal federation where fiscal responsibility laid heavily on the shoulders of the member states there was indeed a commitment crisis exhibiting itself in 2003 this paper aimed to answer two questions first what have caused the member states such as france and most curiously germany the one who had stressed the need for fiscal discipline every step of the way during the negotiation stage to safeguard the euro to renegade on a pact that was supposed to guarantee just that second in light of the silence of the international capital market towards the incident what if any had the demise of edp contributed to the study of fiscal governance and political integration in the eu
