bodybuilding's foremost nonconformist and strikingly handsome intellectual Mike Mentzer rose to the top of his sport despite opposition from industry insiders like rival Schwarzenegger. Written by his close friend of two decades, Mike Mentzer's *American Odyssey* chronicles Mentzer's journey in a fiercely competitive world to become one of the most iconic bodybuilders of all time. Rebel philosopher, bodybuilding icon, Mike Mentzer was a strikingly handsome man with a brilliant mind and a perfect physique: the first bodybuilder to receive a perfect score in both amateur and professional competitions. In the late 70s, Mentzer rose to the very top of his sport despite the efforts made by industry power brokers. Such as Arnold Schwarzenegger, who was featured in *GQ* magazine and profiled on national television, but he was also a man who wrestled with mental illness his entire life and ended up living on the streets and being sent to prison just when it seemed his career was over. He found it within himself to reboot his intellect and revolutionize bodybuilding training, arguing bodybuilders should not forsake their mental development in favor of developing their bodies. He became a pariah in the fitness industry, which only cared about selling supplements and other products, but a hero to legions of fans who earnestly sought truth. Mike Mentzer's *American Odyssey* is the first biography of Mike Mentzer to appear in North America, written by his close friend of 21 years, John Little, one of the leading fitness researchers in North America. *Iron Man* magazine drawing upon audio recordings, letters, diary excerpts, as well as interviews with those closest to him, this is the true story of one man who stood up to an entire industry and paid the ultimate price.

In this biting parody of the Star Wars saga, Dearth Nadir reveals the true story of his doomed love affair and what really made him turn to the dark side. Lies! It's all a pack of lies! I've already dispatched my lawyer droids to fix this little problem. The Emperor is deeply offended by what my ex-husband has to say about me, especially the part about me being a compulsive masturbator. Senator Pad Thai Mandala, I just wish he'd have warned me before he outed me. Kobe San Ken Barbie, to learn the truth, go to the source, find out what they were too afraid to show you. In the movie theater, there are always at least two sides to any story. The Emperor has his version, and now Dearth Nadir has his.

Idiosyncratic doesn't begin to get near him. Guardian Liguria, Italy, in a mountain village sits an old farmhouse that stores the memories of those who have lived there and suffers the tales of the visitors who come and go. The house weaves its magic on all who encounter it. New owners move in and over time become entangled with a parade of oddball characters from pagan ritual to the antics of modern village life. The
