marvelously wise and expansive one could call ferry s prose conversational but it s rare to have a conversation quite this wonderful boston globe a

fascinating journey through greek mythology that explains the myths timeless lessons and meaning heroes gods and mortals the greek myths are the founding narratives of western civilization to understand them is to know the origins of philosophy literature art science law and more indeed as luc ferry shows in this masterful book they remain a great store of wisdom as relevant to our lives today as ever before no mere legends or cliches herculean task pandora s box achilles heel etc these classic stories offer profound and manifold lessons providing the first sustained attempt to answer fundamental human questions concerning the good life the burden of mortality and how to find one s place in the world vividly retelling the great tales of mythology and illuminating fresh new ways of understanding them the wisdom of the myths will enlighten readers of all ages with luc ferry as a guide our passage through the storied landscape of greek mythology becomes a captivating lesson in philosophy le monde france ferry draws out deeper meanings of myths about how the world works and of the place of mortals in it the wisdom of the myths is part of a grand enterprise to revive practical wisdom and secular humanism the guardian comprehensive t he breadth of evidence will sway most readers publishers weekly impressive a worthy fun way to enjoy the ancient myths while learning some philosophy kirkus reviews

the book leads the reader through these vibrant stories from the origins of the gods through to the homecomings of the trojan heroes all the familiar narratives are here along with some less familiar characters and motifs in addition to the tales the book explains key issues arising from the narratives and discusses the myths and their wider relevance this long overdue book crystallises three key areas of interest the nature of the tales the stories themselves and how they have and might be interpreted for the first time it brings together aspects of greek mythology only usually available in disparate forms namely children s books and academic works there will be much here that is interesting surprising and strange as well as familiar experts and non experts adults students and schoolchildren alike will gain entertainment and insight from this fascinating and important volume

this book is about the energy personified by the classical greek goddess themis who brought her divine and natural right order to gods and humans and who still presides over law courts as the figure of justice in many western countries today the growing dis ease in minds and bodies of individuals is often echoed in whole communities rather than coming together they seem to split apart in anger and distress but themis energy is equally powerful

and can work to bring together and to heal from the battle of the titans and olympians to the oracle at delphi and the banquet of the gods the stories of the goddess weave through these chapters to illuminate how themis energy is at work today the authors explore psychological healing in individuals and relate this to new research in neurocardiology on the subtle interactions of body and mind they show how the international movement for restorative justice is drawing on the same healing tools to benefit victims and offenders alike and they evoke the extraordinary story of the south african truth and reconciliation commission which shows the world how themis energy can help transform a ravaged society this book deepens understanding of the psychological urge towards healing and wholeness which is as much a part of human beings as the urge to destroy it offers exciting new insights into jung s unique approach to the relationship between individual and collective psychology it will appeal to psychologists who work with individuals and groups to lawyers and others concerned with the failure of current criminal justice systems and to people involved in religious political and other groups that seek to build communities which can encompass and even celebrate diversity rather than rejecting it in fear
