the ventures 3rd edition level 3 workbook has exercises to help reinforce lessons in the student's book with an answer key for self study students can access audio to help improve listening grammar and reading comprehension using qr codes found throughout the workbook

volume i dealt with survival japanese for tourists and other short term travelers and newcomers to japan volume ii meanwhile turns to the basics of japanese syntax the book is by no means only about grammar however rather it is designed to help learners consolidate their understanding of syntactical structure through lessons that focus on how to talk about topics relevant to daily life in addition to serving learners continuing from

volume i volume ii will benefit those who have already studied beginning japanese to some extent but wish to brush up on syntax major features of japanese for busy people ii revised 3rd edition will enable learners to progress smoothly through the equivalent of the latter half of a typical first year japanese course while gradually building speaking and listening skills learners approaching mid beginner status often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point necessitating that they spend ample time on review moreover learners at this stage are expected to become familiar with verb tense and aspect time expressions conditional clauses and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each japanese for busy people ii helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of japanese proficiency the book is designed so that by practicing talking about each topic learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic like volume i volume ii is organized into several large units each covering topics grouped under a particular theme in this way the book enables learners to achieve a well balanced understanding of grammar sentence structure and context

the workbook for the revised 3rd edition of japanese for busy people iii offers readers longer and more complex reading passages familiarize you with new vocabulary and the conventions used in japanese writing it can be used either in tandem with the main text or as a self study aid

modern mandarin chinese grammar a practical guide third edition is an innovative reference guide to mandarin chinese combining traditional and function based grammar in a single volume the grammar is divided into two parts part a covers traditional grammar points such as phrase order and the structure of noun phrases and verb phrases part b is carefully organized around language functions and situations such as asking questions communication strategies making comparisons giving orders and making requests expressing apologies regrets and sympathy the two parts of the grammar are closely linked by extensive cross references providing a grammatical and functional perspective on many patterns the grammar is coordinated with the workbook which provides grammar focused and situation focused exercises to facilitate practice and reinforce language use all grammar points and functions are richly illustrated with examples presented in simplified and traditional characters and pinyin romanization with a strong emphasis on contemporary usage this third edition includes new sections on character structure social media speaker perspective and more as well as updated illustrative sentences and an expanded index modern mandarin chinese grammar is ideal for all learners of mandarin chinese from beginner to intermediate and advanced students
