presents the teachings that all catholics throughout the world believe it is a positive objective and declarative exposition of official catholic doctrine the first universal catechism in 400 years

this is a valuable introduction to the catechism by the general editor of the catechism schonborn and the head of the bishops commission for the implementation of the catechism ratzinger providing helpful insights on how to read and study the catechism this book includes a prehistory of the catechism an overview of its structure and contents the major themes and methods in it a special introduction to the four parts of the catechism and specific advice on how to use the catechism ratzinger and schonborn illuminate the catechism s teaching on faith morals prayer and sacraments and how a catholic lives those teachings in today s world learn more about pope benedict visit the

an evaluation of the catechism of the catholic church from a north american perspective by distinguished theologians educators and liturgists

the first edition of the new catechism went out across the world in many language versions this gave the local churches the chance to study it in depth through their bishops and teachers they responded with comments on texts that needed refinement the present edition was developed in the light of these comments and published in latin as the definitive editio typica this book is the english translation of the editio typica

the catechism of the catholic church reads often the texts of sacred scripture are not quoted literally but merely indicated as a reference cf in the footnotes for a deeper understanding of those passages the reader should go to the texts themselves these biblical references are a working tool for catechesis this companion to the catechism of the catholic church book of references contains all the passages of sacred scripture referred to in the catechism arranged according to the paragraphs in which the references are made but that is only a beginning the catechism also refers to conciliar texts papal documents writings of the fathers and of the saints there are more than 3 600 of these references extending from the earliest credal formulations of the ancient church to the documents of vatican ii and beyond to the magisterial teaching of pope john paul ii the book of references includes all the texts referred to arranged along with the scripture passages according to the paragraphs of the catechism in which they are referred this book of references is a valuable instrument in teaching understanding and implementing the catechism it is a handy one volume reference library for use with the catechism i ask the church s pastors and the christian faithful to receive this catechism in a spirit of communion and to use it assiduously in fulfilling their mission of proclaiming the faith and calling people to the gospel life pope john paul ii

containing the nicene constantinopolitan creed the athanasian creed the confession of chalcedon the confession of dositheus the shorter and longer catechisms of st philaret of moscow the catechism of st peter mogila and the synodikon of orthodoxy the present collection of official and formally approved statements of faith of the eastern orthodox church is as far as the present compiler is aware the first time such an endeavor has been attempted in the english language the reason for such a collection is quite simple the

instruction of the faithful and their edification unto all godliness although in these confused days there is an abundance of opinions there are sadly a paucity of clear thorough authoritative and readily available summaries of the orthodox faith that have both stood the test of time and also received the official approbation of the church the current climate therefore needs such a collection for too many seek to present the faith in the light of their own wisdom but as we pray in the prayers after the divine liturgy to be delivered from the slavery of our own reasoning it is the editor's prayer that this collection of sacred creeds confessions and catechisms will raise up a generation of faithful orthodox christians who through meditating again and again on the holy truths contained herein will be both well rounded and deeply grounded in the faith that was once for all delivered to the saints and able to withstand in the evil day the ever blowing winds of diverse and strange doctrines and destructive heresies

the best selling catechism of the catholic church offers not only a new definitive account for our times of the full teaching of the catholic faith but it is also a superbly crafted work from which to learn and to teach the faith teaching the faith in a systematic way catechesis is a craft and like any craft it requires the development of skills on the part of those who desire to excel in it the catechism of the catholic church shows catechists and others what to teach this book examines the important issue of how to teach it pedagogy a must for every teacher who wants to be more effective in handing on the faith to others

ratzinger one of the key persons responsible for the compilation of the catechism of the catholic church offers new insights on the catechetical character and biblical foundation of the worldwide bestselling catechism that has had such a positive response from ordinary catholics across the globe but he acknowledges that the response of many theologians and professional religionists has been negative toward the catechism he says that if theologians don't want to be shut out of this worldwide development of *sensus fidei* and lose touch with the common catholic they will have to engage the catechism positively the main purpose of this book is to offer an invitation to this changed approach to the catechism he wants people to see as he shows here how the catechism is an excellent teaching tool that responds to man's deepest questions about the meaning of life how to live a good life and how to attain happiness in this life and in eternal life he shows how the catechism affirms that man's happiness is love and that the essence of true love has been manifested in the person of jesus christ learn more about pope benedict visit the

cardinal christoph schönborn the editor of the monumental catechism of the catholic church a worldwide best seller provides a brief and profound commentary on the second part of the catechism the sacraments schönborn gives an incisive detailed analysis of the sacraments providing a specific meditation for each week of the year on how to better live the catholic faith with the aid of the sacraments and the mass and explained in the catechism through these 52 meditations schönborn's hope is for the reader to not just have a better grasp of the catholic doctrine and belief but especially to grow in a greater love of and devotion to the person of jesus christ faith is a whole it has only one heart one center jesus christ the son of the living god christ must therefore also be the center of catechesis whose object is putting people in communion with jesus christ only he can lead us to the love of the father in the spirit cardinal christoph schönborn
