this monumental work covering Kissinger's first four years 1969-1973 as assistant to the president for national security affairs and president Nixon's closest advisor on foreign policy is one of the most significant books to come out of the Nixon

his first meeting with nixon his secret trip to china the first salt negotiations the jordan crisis of 1970 the india pakistan war of 1971 and the historic summit meetings in moscow and beijing in 1972 he offers insights into the middle east conflicts anwar sadat s break with the soviet union the election of salvador allende in chile issues of defense strategy and relations with europe and japan other highlights are his relationship with nixon brilliant portraits of major foreign leaders and his views on handling crises and the art of diplomacy few men have wielded as much influence on american foreign policy as henry kissinger white house years his own record makes an invaluable and lasting contribution to the history of this crucial time

henry kissinger s role in the vietnam war prolonged the american tragedy and doomed the government of south vietnam the american war in vietnam was concluded in 1973 after eight years of fighting bloodshed and loss yet the terms of the truce that ended the war were effectively identical to what had been offered to the nixon administration four years earlier those four years cost america and vietnam thousands of lives and billions of dollars and they were the direct result of the supposed master plan of the most important voice in american foreign policy henry kissinger using newly available archival material from the nixon presidential library kissinger s personal papers and material from the archives in vietnam robert k brigham punctures the myth of kissinger as an infallible mastermind instead he constructs a portrait of a rash opportunistic and suggestible politician it was personal political rivalries the domestic political climate and strategic confusion that drove kissinger s actions there was no great master plan or bismarckian theory that supported how the us continued the war or conducted peace negotiations its length was doubled for nothing but the ego and poor judgment of a single figure this distant tragedy perpetuated by kissinger s actions forever changed both countries now perhaps for the first time we can see the full scale of that tragedy and the machinations that fed it

joramie gallon s reexamination of kissinger s life and personality provides vital lessons for twenty first century europe michel barnier former french prime minister joramie gallon paints an intriguing portrait of the master of realpolitik drawing lessons from henry kissinger s life and actions to explore the creation of a more coherent and resilient foreign policy particularly in europe chapters address themes moments and characters that shaped kissinger s career such as the harvard years the centrality of realpolitik jewishness even football and his relationships with figures such as nelson

this new english edition includes an additional chapter detailing the author s meeting with kissinger in connecticut ten days after russia s invasion of ukraine in february 2022 gallon is as interested in the statesman as he is in the man himself delving into the more glamorous and intimate aspects of his life yet making no secret of kissinger s contradictions and the moral accusations levelled against him

kissinger defines diplomacy with an overview of his own interpretation of history and personal accounts of negotiations with world leaders

henry kissinger and american power effectively separates the man from the myths the christian science monitor best books of the month the definitive biography of henry kissinger at least for those who neither revere nor revile him over the past six decades henry kissinger has been one of america s most lavishly praised and most reviled public figures he was hailed as a miracle worker for his peacemaking in the middle east pursuit of déttente with the soviet union negotiation of an end to the vietnam war and secret plan to open the united states to china he was assailed from both the left and the right for his complicity in the pointless sacrifice of american and vietnamese lives indifference to human rights and reliance on deception and intrigue was he a brilliant master strategist the 20th century s greatest 19th century statesman robert kaplan the atlantic or a cold blooded monster who eroded america s moral standing for the sake of self promotion in this masterfully researched biography the renowned diplomatic historian thomas a schwartz offers an authoritative and evenhanded answer to this question while other biographers have engaged in hagiography or demonology schwartz takes a measured view of his subject he recognizes kissinger s important successes and insights into the foreign policy issues of his time but also acknowledges his failures his penchant for backbiting and his reliance on ingratiating and fawning praise of the president as a source of his own power throughout schwartz stresses kissinger s artful invention of himself as a celebrity diplomat and his domination of the medium of television news he also notes kissinger s sensitivity to domestic and partisan politics complicating and undermining the image of the far seeing statesman who stood above the squabbles of popular strife rounded and textured and rich with new insights into key dilemmas of american policy henry kissinger and american power is an essential guide to a man whose legacy is as complex as the last sixty years of u s history itself

examines the character and intellectual development of kissinger and discusses his rise

henry kissinger s 2014 book world order reflections on the character of nations and the course of history not only offers a summary of thinking developed throughout a long and highly influential career it is also an intervention in international relations theory by one of the most famous statesmen of the twentieth century kissinger initially trained as a university professor before becoming secretary of state to president richard nixon in 1973 a position in which he both won the nobel peace prize and was accused of war crimes by protesters against american military actions in vietnam while a controversial figure kissinger is widely agreed to have a unique level of practical and theoretical expertise in politics and international relations and world order is the culmination of a lifetime s experience of work in those fields the product of a master of the critical thinking skill of interpretation world order takes on the challenge of defining the worldviews at play in global politics today clarifying precisely what is meant by the different notions of order imagined by nations across the world as kissinger does highlights the challenges of world politics and sharpens the focus on efforts to make surmounting these divisions possible while kissinger s own reputation will likely remain equivocal there is no doubting the interpretative skills he displays in this engaging and illuminating text

for more than twenty years after the communist revolution in 1949 china and most of the western world had no diplomats in each others capitals and no direct way to communicate then in july 1971 henry kissinger arrived secretly in beijing on a mission which quickly led to the reopening of relations between china and the west and changed the course of post war history for the past forty years kissinger has maintained close relations with successive generations of chinese leaders and has probably been more intimately connected with china at the highest level than any other western figure this book distils his unique experience and long study of the middle kingdom examining china s history from the classical era to the present day and explaining why it has taken the extraordinary course that it has the book concentrates on the decades since 1949 presenting brilliantly drawn portraits of mao zedong zhou enlai deng xiaoping and other chinese leaders and reproducing verbatim kissinger s conversations with each of them but kissinger s eye rarely leaves the long continuum of chinese history he describes the essence of china s approach to diplomacy strategy and negotiation and the remarkable ways in which communist era statesmen have drawn on methods honed over millennia at the end of the book kissinger reflects on

on china is written with great authority complete accessibility and with many wider reflections on statecraft and diplomacy distilled from years of experience at a moment when the rest of the world is thinking about china more than ever before this timely book offers insights that no other can

in years of upheaval henry kissinger recalls the turbulent years of the second administration of richard nixon which began in january 1973 two momentous events and their consequences dominate this account the watergate scandal and the 1973 october war in the middle east the book opens at the western white house in august 1973 when dr kissinger is told by the president during a poolside conversation that he is to become secretary of state the memories that follow are a rich compendium of his experiences in the months before and after the appointment including an eerie trip to hanoi shortly after the vietnam cease fire efforts to settle the war in cambodia the tempestuous year of europe two nixon brezhnev summits and the controversy over dotente dr kissinger s dramatic day by day account of how the middle east war was transformed into the beginning of peacemaking shapes the climactic chapters of the book in counterpoint to the worsening crisis at home which culminated with nixon s resignation his frank portrait of nixon s last days in the white house is perhaps the most perceptive to date

this ebook boxed set includes the following 3 books by henry america s approach to foreign policy crisis by drawing upon hitherto unpublished transcripts of his telephone conversations during the yom kippur war 1973 and the last days of the vietnam war 1975 henry kissinger reveals what goes on behind the scenes at the highest levels in a diplomatic crisis does america need a foreign policy with a new afterword by the author that addresses the situation in the aftermath of september 11 this thoughtful and important book written by america s most famous diplomatist explains why we urgently need a new and coherent foreign policy and what our foreign policy goals should be in this new millennium in seven accessible chapters kissinger provides a crystalline assessment of how the united states ascendancy as the world s dominant presence in the twentieth century may be effectively reconciled with the urgent need in the twenty first century to achieve a bold new world order diplomacy moving from a sweeping overview of history to blow by blow accounts of his negotiations with world leaders henry kissinger describes how the art of diplomacy has created the world in which we live and how america s approach to foreign affairs

Confluence An International Forum Published Under The Auspices Of Summer School Of Arts And Sciences And Education Of Harvard University Dir William Yandell Elliot Ed Henry A Kissinger Vol I N 1 has always differed vastly from that of other nations this is vital reading for anyone concerned with the forces that have shaped our world today and will impact upon it tomorrow

in this incendiary book hitchens takes the floor as prosecuting counsel and mounts a devastating indictment of henry kissinger whose ambitions and ruthlessness have directly resulted in both individual murders and widespread indiscriminate slaughter

in this first volume of his memoirs dr kissinger covers his first four years 1969 1973 as assistant to the president for national security affairs and president nixon s closest adviser on foreign policy it is undoubtedly the most significant book to come out of the nixon administration among the countless great and critical moments dr kissinger recalls are his first meeting with nixon his secret trip to china the first salt negotiation the jordan crisis of 1970 the india pakistan war of 1971 and the historic summit meetings in peking and moscow he covers the major controversies over indochina policy during that period including events in laos the overthrow of cambodia s prince sihanouk his secret talks with the north vietnamese in paris his peace is at hand press conference and the breakdown of the talks that led to the christmas bombing of 1972 he offers his insight s into the middle east conflicts sadat s break with the soviets the election of salvador allende in chile issues of defence strategy and relations with europe and japan other highlights are his relationship with nixon brilliant portraits of major foreign leaders and his views as to the handling of crises and the art of diplomacy few men have wielded as much influence in the arena of american foreign policy as henry kissinger this record makes an invaluable and lasting contribution to the history of this crucial time

this ebook boxed set includes 3 complete memoirs of henry kissinger detailing his life and work white house years one of the most important books to come out of the nixon administration white house years covers henry kissinger s first four years 1969 1973 as assistant to the president for national security affairs years of upheaval this second volume of henry kissinger s monumental memoirs covers his years as president richard nixon s secretary of state 1972 1974 including the ending of the vietnam war the 1973 middle east war and oil embargo watergate and nixon s resignation years of upheaval opens with dr kissinger being appointed secretary of state years of renewal this third and final volume of memoirs completes a major work of contemporary history the third final volume begins with the resignation of nixon and takes the reader through the years of ford s administration in which kissinger continued to play a

decisive role years of renewal is the triumphant conclusion of a major achievement and March 1958
a book that will stand the test of time as a historical document of the first rank

suri offers a thought provoking interpretive study of one of the most influential and controversial political figures of the 20th century drawing on extensive research and interviews with kissinger and others suri analyzes the sources of kissingers ideas and explains why he pursued the policies he did

as henry kissinger observes in this magisterial book there has never been a true world order for most of history civilizations have defined their own concepts of order each one envisioning its distinct principles as universally relevant now as international affairs take place on a global basis these historic concepts of world order are meeting every region participates in questions of high policy in every other often instantaneously yet there is no consensus among the major actors about the rules and limits guiding this process or its ultimate destination the result is mounting tension blending historical insight with prognostication world order is a meditation from one of our era s most prominent diplomats on the 21st century s ultimate challenge how to build a shared international order in a world of divergent historic perspectives violent conflict proliferating technology and ideological extremism

biografi over henry kissinger med strk vgt p hans arbejdsliv i perioden 1969 1977

henry kissinger dominated american foreign relations like no other figure in recent history he negotiated an end to american involvement in the vietnam war opened relations with communist china and orchestrated dtente with the soviet union yet he is also the man behind the secret bombing of cambodia and policies leading to the overthrow of chile s president salvador allende which is more accurate the picture of kissinger the skilled diplomat or kissinger the war criminal in the flawed architect the first major reassessment of kissinger in over a decade historian jussi hanhimaki paints a subtle carefully composed portrait of america s most famous and infamous statesman drawing on extensive research from newly declassified files the author follows kissinger from his beginnings in the nixon administration up to the current controversy fed by christopher hitchens over whether kissinger is a war criminal hanhimaki guides the reader through white house power struggles and debates behind the cambodia and laos invasions the search for a strategy in vietnam the breakthrough with china and the unfolding of soviet american detente here too are many other international crises of the period the indo pakistani war the yom kippur war the

March 195

sheds light on kissinger s personal flaws he was obsessed with secrecy and bureaucratic infighting in an administration that self destructed in its abuse of power as well as his great strengths as a diplomat we see kissinger negotiating threatening and joking with virtually all of the key foreign leaders of the 1970s from mao to brezhnev and anwar sadat to golda meir this well researched account brings to life the complex nature of american foreign policymaking during the kissinger years it will be the standard work on kissinger for years to come

the eagerly awaited third and final volume of memoir from the best known american diplomats of the twentieth century henry kissinger a major figure in world history winner of the nobel peace prize and arguably one of the most brilliant minds ever placed at the service of american foreign policy as well as one of the shrewdest best informed and most articulate men ever to occupy a position of power in washington this is at once an important historical document and a brilliantly told narrative of almost shakespearean intensity full of startling insights unusual and often unsparing candor and a sweeping sense of history years of renewal is the triumphant conclusion of a major achievement and a book that will stand the test of time as a historical document of the first rank

henry kissinger conducted american foreign policy with a distinctive assurance and panache that gave dramatic force to his tenure as secretary of state his was the shaping hand in decisions that led to detente with the soviet union to opening relations with the people s republic of china and to shuttle diplomacy in the middle east and the disengagement of egypt and israel during the 1973 war taking a fresh look at the statecraft of henry kissinger harvey starr brings to bear a variety of analytical methods on data drawn from different stages in kissinger s career to define and explain the beliefs and perceptions that formed the ground of his policy decisions using psychohistory and content analysis starr defines kissinger s perceptions of his adversaries the soviet union and red china and draws revealing comparisons between kissinger and john foster dulles henry kissinger perceptions of international politics is an illuminating view of an important era in american diplomacy
