Practical Examples Bringing the Constitution to Life

Lets look at a common example Freedom of Speech First Amendment The Amendment Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof or abridging the freedom of speech or of the press or the right of the people peaceably to assemble and to petition the government for a redress of grievances

Key Case Example Tinker v Des Moines 1969 This case addressed students right to wear armbands to protest the Vietnam War The Supreme Court ruled that students dont shed their constitutional rights at the schoolhouse gates

Application This demonstrates that freedom of speech is not absolute While students have a right to express themselves that right is not unlimited and can be restricted if it substantially disrupts the learning environment
