provides a comprehensive account of the australian law of interpretation it covers interpretation in public law private law and international law as well as the interpretation of case law

in 1847 in one of the most important cases in australian legal history the chief justice of nsw sir alfred stephen handed down a decision that would have profound implications for both the development of australian property law and the property rights of the aboriginal peoples of australia the case was attorney general v brown and in his decision stephen cj ruled that the laws of

property in australia were governed by feudal principles the shadow cast by attorney general v brown has been a long one stretching down to the decision in mabo and beyond judicial thinking and much legal scholarship continues to emphasise a connection between the feudal origins of the english law and the state of contemporary australian property law thereby perpetuating a nostalgic view of australian property law this book in contrast argues that the feudal imprint on property in australia had been washed away by the early 1860s and that the decades of the early nineteenth century witnessed the making of a distinct australian property law egalitarianism rather than feudalism this book argues shaped the emergence of australian property law this book situates legal development in its social and political context re evaluating the relationship between political ideas social values and law reform in early australia

the fifth edition of this highly regarded book provides a clear and comprehensive analysis of the principles of private international law and the methods by which such principles are applied to cross border legal problems in australia important recent developments in australian private international law are discussed together with legislative reforms and significant decisions particularly of australian courts the fifth edition introduces chapters on the taking of evidence across state and national borders the book provides an in depth examination of the following subjects introduction to private international law civil jurisdiction and judgments in international litigation civil jurisdiction and judgments in australia and new zealand taking of evidence for australian and foreign court proceedings applicable law method international family law applicable law for obligations applicable law for property international company law an understanding of the fundamental concepts in private international law is becoming increasingly important in legal practice and the accessible style of this text makes it invaluable to both students and practitioners publisher

second edition of a 1988 text for law students which takes into account aboriginal and immigrant cultures and australian and legal history to explain issues and features of the australian legal system new material includes changes in workers compensation law and the mabo case contains bibliography and index the author is director of the national centre for cross cultural studies in law at the university of new england
