grant s enforcer offers a gripping story of the early years after the civil war and the campaign led by president grant s attorney general amos t akerman to destroy the ku klux klan akerman a former georgia slaveholder and the only southerner to serve in a reconstruction cabinet was the first federal lawman to propose using the fourteenth amendment to prosecute civil rights

violations in 1871 akerman and his allies brought the kkk to trial in south carolina choosing york county as their principal target they believed that if they could break the ku klux in one small corner of the former confederacy they could break it everywhere within six months the prosecutions and convictions in federal court of key klan leaders and foot soldiers effectively eradicated the klan for half a century drawing on a wealth of primary sources guy gugliotta tells the story in real time through the voices of those who bravely resisted the klan in york county and those who perpetrated its crimes and through the fierce congressional debates in washington d c and akerman s efforts to overcome infighting within the grant administration grant s enforcer rides with the ku klux on its way to a lynching feels what it s like to be lied to beaten spat at and betrayed by white neighbors you have known all your life and exults with york s black citizens when the tormenters are finally brought to justice gugliotta uses newspapers documents and first person stories including thousands of pages of testimony under oath taken by a congressional joint committee tasked in 1871 to study the ku klux klan a breathtaking compilation of accounts by ku klux targets their attackers local and national politicians public officials and private citizens the result is a vivid portrait of the reconstruction south through the career of this surprising man

this series argues that there is a common administrative core to european legal systems that can be better understood in comparative terms this volume examines government liability in tort using case studies to explore different government responses part i sets the stage for the project and the parameters followed by the scholars involved part ii expands on the legal systems chosen for comparison setting up their general tort procedures part iii presents case studies from austria the european union france germany hungary italy poland romania spain switzerland and the united kingdom each case study has a theoretical response detailing what would happen should that case occur within each country s borders part iv compares and contrasts the information provided in part iii it examines both the commonalities and the distinctive traits of these legal systems with a view to understand the nature of their common core this volume is an essential tool for anyone involved in administrative and constitutional law and government liability in tort

the partisan and ideological polarization associated with federal government plagues states and localities too bringing with it significant implications for public policy and intergovernmental relations the trusted and proven governing states and localities guides students through these issues and continues its focus on the role economic and budget pressures play with their engaging journalistic writing and crisp storytelling kevin b smith and alan greenblatt employ a comparative approach to explain how and why states and localities are both similar and different in institutional structure culture history economy geography and demographics a great blend of high quality academic analysis and the latest scholarship the sixth edition is thoroughly updated to account for such major developments as state vs federal conflicts over immigration reform gun control and voter rights health and education reforms aimed at improving the effectiveness of state and local government service delivery and the lingering effects of the great recession
