as canada came to terms with its role as an independent nation following confederation in 1867 there was a call for a literary voice to express the needs and desires of a new country children s literature was one of the means through which this new voice found expression seen as a tool for both entertaining and

educating children this material is often overtly propagandistic and nationalistic and addresses some of the key political economic and social concerns of canada as it struggled to maintain national unity during this time from nursery rhymes to nationhood studies a large variety of children s literature written in english between 1867 and 1911 revealing a distinct interest in questions of national unity and identity among children s writers of the day and exploring the influence of american and british authors on the shaping of canadian identity the visions of canada expressed in this material are often in competition with one another but together they illuminate the country s attempts to define itself and its relation to the world outside its borders

celebrated as a novelist and made famous by her novel anne of green gables and its sequels l m montgomery 1874 1942 is far less known for also writing and publishing hundreds of poems over a period of half a century although this output included a chapbook and a full length collection in which she presented herself primarily as a nature poet most of her poems appeared in periodicals including women s magazines farm papers faith based periodicals daily and weekly newspapers and magazines for children as a shrewd businesswoman she learned to find the balance between literary quality and commercial saleability and continued to publish poetry even though it paid less than short fiction a world of songs selected poems 1894 1921 the second volume in the l m montgomery library gathers a selection of fifty poems originally published across a twenty five year period benjamin lefebvre organizes this work within the context of montgomery s life and career claiming her not only as a nature poet but also as the author of a wider range of songs of place of memory of lamentation of war of land and sea of death and of love many of these poems echo motifs that readers of montgomery s novels will recognize and many more explore surprising perspectives through the use of male speakers these poems offer today s readers a new facet of the career of canada s most enduringly popular author

sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent west

containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced it offers a complete directory of canadian publishers available listing the names and isbn prefixes as well as the street e mail and web addresses
