the book highlights the nature and features of indian society and the changes that has taken place in various social institutions during different historical phases this is comprehensive book and covers subjects widely prescribed in the syllabi of various indian universities at the under graduate and post graduate levels in sociology the topics covered include indian society indian society and culture indian society and social institutions social change in india and indian social institutions contemporary indian society and culture while the subject has been presented in an analytical style with central side and running headings integral and holistic view has been adopted in matters having different opinions the language is easy and free of technical jargon as far as possible at the end of each chapter questions of university examinations have been given to help the students for preparing well for the examination this ideal textbook will prove most useful to the students teachers policymakers and common readers

the period of reference is restricted to the post independence era

the multi disciplinary and comprehensive collection of articles presented in this volume provides a valuable discussion on the status and role of the women in development of the society till recently women were treated on a different pedestal depriving them of their rights but reminding them of their duties but with the changing times the role of women has changed from child bearing and rearing to bread earner this book brings under one cover the role of women in the changing society and their changing roles under the broad categories of health education employment politics popular movements and development

this book provides the much needed evaluation and reorientation of the public and professional community s commonsense or uncritically adopted conceptions of the indian society and also directs our attention to the gaps in the sociology of the india focussing on key ideas and issues of indian social system such as that of tradition and modernity class and caste agrarian and urban social system industrialisation and globalisation and socio political and economic movement the author culls out the

simplistic and often misinformed ways in which the larger public construes and relates to such issues chastising indian society for failing to engage with key issues such as poverty class and caste based reservations and to respond to the multiple crises that beset the nation he notes how these issues are complicated by the processes of identity formations the functioning of institutions and globalisation this book is strictly written according to the latest syllabus of b a m a and upsc

recent theoretical and methodological innovations in the anthropological analysis of south asian societies have introduced distinctive modifications in the study of indian social structure and social change this book reporting on twenty empirical studies of indian society conducted by outstanding scholars reflects these trends not only with reference to indian society itself but also in terms of the relevance of such trends to an understanding of social change more generally the contributors demonstrate the adaptive changes experienced by the studied groups in particular villages towns cities and regions the authors view the basic social units of joint family caste and village not as structural isolates but as intimately connected with one another and with other social units through social and cultural networks of various kinds that incorporate the social units into the complex structure of indian civilization within this broadened conception of social structure these studies trace the changing relations of politics economics law and language to the caste system showing that the caste system is dynamic with upward and downward mobility characterizing it from pre british times to the present the studies suggest that the modernizing forces which entered the system since independence parliamentary democracy universal suffrage land reforms modern education urbanization and industrial technology provided new opportunities and paths to upward mobility but did not radically alter the system the chapters in this book show that the study of indian society reveals novel forms of social structure change they introduce methods and theories that may well encourage social scientists to extend the study of change in indian society to the study of change in other areas

the book deals with all aspects of the indian society and social institutions in detail in a beautiful way the characteristics of indian society indian culture values of indian social system hindu social organisation and the caste system have been described in the first five chapters with enormous facts so as to meet the requirements of the students the book also provides a good picture of the casteism untouchability the hindu family

system muslim social system christian social system tribal social system and rural problems in india along with social legislations and status of women in hindu society from sixth chapter to twentyfifth chapter the remaining chapters i e twentysix to forty give a cryptic account of social disorganisation sanskritization westernisation secularisation modernisation condition of housing education and industrial workers trade unions indian political system and the role of religion in politics in brief sufficient informations have been given in an elaborate way in the book regarding indian society and social institutions so as to meet the requirements of the students and the common readers

this book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary india these two theories are complemented by additional theories including gestalt therapy spirituality and raja yoga these theories fill the gap in the literature to indigenize social group work interventions the book is divided into four parts history of social group work and introduction in india the indian family structural properties of group work using case studies in social group work education in addition there are two separate chapters on leadership leadership in social work groups and leader interventions relevant to indian society at the end of each chapter a summary and applicable practice principles are presented it explicitly presents the value of short and task oriented group work it mobilizes the group members strengths to work through problems that indian children parents working adults and the elderly experience the group process is presented with a focus on the present day indian cultural context which is relevant for a range of practitioners in the helping professions this important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists

the revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless a large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion

contributed articles

confined to women and women related issues the book makes a concerted effort to present the status of indian women against the everchanging social economic political and academic backgrounds

indian society is often described as one with unity in diversity and as a composite culture since independence india has also been termed democratic and secular however the discernible cracks that have appeared in recent years in these conceptualisations have led to contentious debates about the very nature of indian society focusing on different facets of this exacerbating crisis this book analyses the various issues confronting india s society and polity today which can assume crisis proportions if not tackled judiciously and expeditiously

this book explores the structural features of indian society such as caste tribe sect rural urban relations sanskritization and untouchability based on a wealth of field research as well as archival material the book interrogates the prevailing thinking in indian sociology on these structures studies indian society from contemporary as well as historical perspectives analyses caste divisions vis à vis caste hierarchy critically examines the public policies regarding caste less society reservations for backward classes and the caste census this second edition with four new chapters will be a key text for students and scholars of sociology social anthropology political science modern history development studies and south asian studies

the caste system has conventionally been perceived by scholars as a hierarchy based on the binary opposition of purity and pollution challenging this position leading sociologist dipankar gupta argues that any notion of a fixed hierarchy is arbitrary and valid only from the perspective of the individual castes the idea of difference and not hierarchy determines the tendency of each caste to keep alive its discrete nature and this is also seen to be true of the various castes which occupy the same rank in the hierarchy it is in fact the mechanics of power both economic and political that set the ground rules for caste behaviour which also explains how traditionally opposed caste groups find it possible to align in the contemporary political scenario with the help of

empirical evidence from states like bihar maharashtra and uttar pradesh the author illustrates how any presumed correlations between caste loyalties and voting patterns are in reality quite invalid provocative and finely argued interrogating caste is a remarkable work that provides fresh insight into caste as a social political and economic reality

this book provides an in depth insight into the indian society and the varied social issues it is currently faced with while serving as a foundation and ready reference resource the book covers all important topics such as the role of women in indian society population poverty urbanization and related issues of communalism and social empowerment it aims to not only equip an aspirant with all the relevant information required for scoring high marks but also help the future policy makers to have a better understanding of what indian society needs

this book introduces the various aspects of india s society and culture in both contemporary and historical perspectives it begins with basic characteristics of indian society and then proceeds with detailed accounts of important social institutions in india such as family marriage kinship indian polity economy and religion further it provides a glimpse of the country s stratification system which is followed by the descriptions of tribal rural and urban communities in india the contents also revolve around indian social problems social movements and social change development in modern india the book concludes with a note on the pioneers of indian sociology subject india studies sociology
