I want this book to arm you with definitive tactics, maneuvers, and replies to whatever comes your way in a conversation. It will be as easy as reading from a script. As with all books in the conversation tactics series, all bestsellers, this book is the result of years of being a social skills and conversation coach. Conversation can be boiled down to a science. If you know how to approach it, you will get exact words and phrases, not just be confident and make eye contact. This book is highly actionable with step-by-step analyses of complex concepts like sarcasm, the ultimate witty comeback, conflict, conversations, and storytelling. What will you learn about creating engaging conversations? The six types of responses you can use for anything, even if your mind is blank. How to become the witty comeback machine. How to avoid linear interview style conversations without fail. Self-diagnose and best practices for your personal conversational style. Why speaking like children will open others up. You will also learn how to soundly deal with know-it-alls and one-uppers, the nuts and bolts of sarcasm, and how to use it expertly. How to master self-deprecation for maximum impact and humor. The tiny phrasing tweaks to engage and energize the people around you. Never feel boring or uninteresting again. Exciting conversations are the gateway to friendship. Your charisma quotient will skyrocket as a result of the types of conversation that you will be able to create. This benefits your love life, career, and relationships. People will be more drawn to you. Old friends and strangers alike. You will not only always know what to say, you will know how to approach it in a clever and witty way. You will never leave a conversation feeling unsatisfied and annoyed that you said the wrong thing. The more predictable social situations are, the more confident we are approaching them.
