working across food studies and media studies joanne hollows examines the impact of celebrity chefs on how we think about food and how we cook shop and eat hollows explores how celebrity chefs emerged in both restaurant and media industries making chefs like jamie oliver and gordon ramsay into global stars she also shows how blogs and youtube enabled the emergence of new types of branded food personalities such as deliciously ella and bosh as well as providing a valuable introduction to existing research on celebrity chefs hollows uses case studies to analyse how celebrity chefs shape food practices and wider social political and cultural trends hollows explores their impact on ideas about veganism healthy eating and the covid 19 pandemic and how their advice is

bound up with class gender and race she also demonstrates how celebrity chefs such as jamie oliver hugh fearnley whittingstall nadiya hussain and jack monroe have become food activists and campaigners who intervene in contemporary debates about the environment food poverty and nation

chef maurice mysteries book 3 in series they say all s fayre in love and baking spring has sprung the bunting is up and for the residents of the little cotswold village of beakley this can only mean one thing it s time for the beakley spring fayre drawing the crowds this year is stiletto strutting celebrity chef miranda matthews a woman for whom making enemies is a piece of shop bought cake and one of them is lurking around the fayre ready to make sure miranda hangs up her apron for good faced with a murderer with a possible penchant for top ping chefs chef maurice must sift through the clues and weigh up the suspects not to mention contending with a sous chef with mummy issues a food critic on a diet and a bulletproof pudding as he finds himself on the trail of a killer who s not cooking by the rules

there have been famous chefs for centuries but it was not until the second half of the twentieth century that the modern celebrity chef business really began to flourish thanks largely to advances in media such as television which allowed ever greater numbers of people to tune in food media charts the growth of this enormous entertainment industry and also how under the threat of the obesity epidemic some of its stars have taken on new authority as social activists while others continue to provide delicious distractions from a world of potentially unsafe food the narrative that joins these chapters moves from private to public consumption and from celebrating food fantasies to fueling anxieties about food realities with the questionable role of interference in people s everyday food choices gaining ground along the way covering celebrity chefs such as jamie oliver and rachael ray and popular trends like foodies food porn and fetishism food media describes how the intersections between celebrity culture and food media have come to influence how many people think about feeding themselves and their families and how often that task is complicated when it need not be

food discourse explores a fascinating yet virtually unexplored research area the language of food used on television cooking shows it shows how the discourse of television cooking shows on the american television channel food network conveys a pseudo relationship between the celebrity chef host and viewers excerpts are drawn from a variety of cooking show genres how to travel reality talk competition providing the data for this qualitative investigation richly interdisciplinary the study draws upon discourse analysis narrative social semiotics and media communication in order to analyze four key linguistic features recipe telling storytelling evaluations and humor in connection with the themes of performance authenticity and expertise essential components in the making of celebrity

chefs given its scope the book will be of interest to scholars of linguistics media communication and american popular culture further in light of the international reach and influence of american television and celebrity chefs it has a global appeal

a novel based on the popular television show touched by an angel foremost genetic researcher dr kate calder had only focused on one thing during her adult life her research it had always been her goal to make a discovery before her colleague dr beth popik in order to get all the credit kate was always in competition with beth so it seemed natural to make every attempt to outbid her at a charity bachelor auction the prize a dinner date with andrew the angel of death there was something very different about andrew and about the whole restaurant staff headed by tess and monica as the evening unfolds kate is confronted with a message of truth that would turn the lives of three people if she would receive it

this book takes an interdisciplinary approach to understanding the different ways in which the past remains present in western popular culture in the twenty first century it combines theoretical analyses with case study based chapters focusing on examples from britain the us and germany among other countries in doing so it pushes beyond a simplistic and monolithic conception of what nostalgia is to allow for a more nuanced and varied conceptualisation of this phenomenon and to also incorporate other ways of understanding the invoking or inclusion of different histories within cultural objects formats and practices

this textbook presents a compendium of important issues that were discussed at the 2nd international cruise conference in plymouth uk between the 18th and 20th february 2010 the focus of the conference was to consider emerging issues problems and solutions for the cruise industry at a time when trading conditions were perceived to be highly volatile

dana polan considers what made julia childs tv show the french chef so popular during its original broadcast and such enduring influences on american cooking american television and american culture since then

food words is a series of provocative essays on some of the most important keywords in the emergent field of food studies focusing on current controversies and on going debates words like choice and convenience are often used as explanatory terms in understanding consumer behavior but are clearly ideological in the way they reflect particular positions and serve specific interests while words like taste and value are no less complex and contested inspired by raymond williams food words traces the multiple meanings of each of our keywords tracking nuances in different academic commercial and policy contexts mapping the dynamic meanings of each term the book moves forward from critical assessment to active intervention an attitude that is reflected in the lively sometimes

combative style of the essays each essay is research based and fully referenced but accessible to the general reader with a foreword by eminent food scholar warren belasco professor of american studies at the university of maryland baltimore county and written by an inter disciplinary team associated with the conanx research project consumer culture in an age of anxiety food words will be essential reading for food scholars across the arts humanities and social sciences

bawdie bolshy and bursting with energy daily mail fantastic as lip smackingly seductive as a bowl of fat chips and aioli telegraph for all those anthony bourdain fans who are hungering for more here is nasty bits a collection of his legendary journalism as usual bourdain serves up a well seasoned hellbroth of candid often outrageous stories from his worldwide misadventures whether scrounging for eel in the backstreets of hanoi revealing what you didn t want to know about the more unglamorous aspects of making television calling for the head of raw food activist woody harrelson or confessing to lobster killing guilt bourdain is as entertaining as ever thenasty bits is a rude funny brutal and passionate stew for fans and the uninitiated alike

home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink professor of culinary history andrew smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade kool aid and tang foodstuffs like jell o twinkies and spam and dagwood hoagie and sloppy joe sandwiches

this book offers a critical look at celebrity and celebrities throughout history emphasizing the development of celebrity as a concept its relevance to individuals and the role of the public and celebrities in popular culture tabloid magazines television shows and internet sites inundate us with daily updates about movie stars musicians athletes and even those who have achieved celebrity status simply for being rich and extravagant disturbingly it appears that the harder our celebrities fall the more fascinating they are to us as popular culture becomes more influential it is important to understand both the positive and negative aspects of celebrity this volume traces the development of the concept of celebrity discusses some of the problems facing both celebrities and their followers and points to future trends and developments in our cultural understanding of celebrity the author s treatment is unflinchingly honest revealing the importance of the public s role in celebrities lives and establishing firm criteria for determining who is a celebrity and who is not

long held associations between women home food and cooking are beginning to unravel as in a growing number of households men are taking on food and cooking responsibilities at the same time men s public foodwork continues to gain attention in the media and popular culture the first of its kind food masculinities and home focuses specifically on food in relation to how homemaking practices shape masculine identities and transform meanings of home the international multidisciplinary contributors explore questions including how food practices shape masculinity and notions of home and vice versa the extent to which this gender shift challenges existing gender hierarchies and how masculinities are being reshaped by the growing presence of men in kitchens and food focused spaces with ever growing interest in both food and gender studies this is a must read for students and researchers in food studies gender studies cultural studies sociology geography anthropology and related fields

no meat required is a bestselling culinary and cultural history of plant based eating in the united states that delves into the subcultures and politics that have defined alternative food diet for a small planet for a new generation the vegan diet used to be associated only with eccentric hippies and tofu loving activists who shop at co ops and live on compounds we ve come a long way since then now fine dining restaurants like eleven madison park cater to chic upscale clientele with a plant based menu and impossible whoppers are available at burger king but can plant based food keep its historical anti capitalist energies if it goes mainstream and does it need to in no meat required author alicia kennedy chronicles the

fascinating history of plant based eating in the united states from the early experiments in tempeh production undertaken by the farm commune in the 70s to the vegan punk cafes and anarchist zines of the 90s to the chefs and food writers seeking to decolonize vegetarian food today many people become vegans because they are concerned about the role capitalist food systems play in climate change inequality white supremacy and environmental and cultural degradation but a world where walmart sells frozen vegan pizzas and non dairy pints of ice cream are available at gas stations raises distinct questions about the meanings and goals of plant based eating kennedy a vegetarian former vegan and once proprietor of a vegan bakery understands how to present this history with sympathy knowledge and humor no meat required brings much needed depth and context to our understanding of vegan and vegetarian cuisine and makes a passionate argument for retaining its radical heart

kisses and kitchens are more connected than most people can ever imagine a kiss is an expression of love it is an indication of intimacy a show of affection the kitchen is a place of cooking it is a centre for the practical demonstration of a wife s love for her husband and a husband s love for his wife just as a kiss is ministered out of a heart of affection so the ministry in the kitchen is rendered out of a heart of care and consideration kiss me in the kitchen is a unique book it deals with the following the kitchen as an altar for the preservation of love and life the relationship of kissing and the priesthood of the kitchen place how husbands and wives can kiss each other in the kitchen place how parents can kiss their children and teach them to minister in the kitchen kissing and the restoration of the biblical patterns of nutrition releasing the rainbow colours of the kitchen turning your spouse into a celebrity chef the ministry of the watchman and intercession in the kitchen how to kiss your spouse with love poems in the kitchen the health benefits of kissing in the kitchen kissing for divine breakthrough in the kitchen the passion to cook a lovely meal is as powerful as the preparation to give a passionate kiss as kissing is indispensable to lovers so is the kitchen indispensable to families

the business of food and drink is for better and worse the business of our nation and our planet and to most consumers how it works remains largely a mystery this encyclopedia takes readers as consumers behind the scenes of the food and drink industries the contributors come from a wide range of fields and the scope of this encyclopedia is broad covering from food companies and brands to the environment health science and technology culture finance and more the more than 150 essay entries also cover those issues that have been and continue to be of perennial importance historical context is emphasized and the focus is mainly on business in the united states most entries include further reading the frontmatter includes an alphabetical list of entries and a topical list of
