poetry for adults and children is a captivating volume that will resonate with readers of all ages
and remind us of our common bonds our common concerns and our common humanity in an
often difficult world

a collection of sayings proverbs thoughts and feelings about doctors and medicine through the
ages plus some current thoughts heard at recent lectures e dr weiss shares the wisdom humor
insight questions and observations about medicine from broadly varying racial national
educational philosophical and religious backgrounds

in a world of users that routinely click i agree buttons librarians may be the lone voice raising an
alert to the privacy use and ownership issues arising in connection with the design and
implementation of digital rights management drm technologies drm reflects the efforts of
copyright owners to prevent the illegal distribution of copyrighted material an admirable goal on
its face a common misunderstanding is that drm is copyright law it is not rather it is a method of
preventing copyright infringement however if unchecked drm has the potential to violate privacy
limit ownership rights and undermine the delicate balance of rights and policies established by

our current system of copyright all three of these arenas are critical for both librarians and their users reflecting the shift from ownership to access libraries are increasingly providing access to rights protected digital content libraries strive to provide access to rights protected content in a manner that protects both the content creator and the privacy of the user drm encompasses a variety of technologies and strategies utilized by content owners and managers to limit access to and the use of rights protected content librarians need to understand drm to effectively enable users to access and use rights protected digital content while at the same time protecting the privacy of the user designed to address the practical operational and planning issues related to drm this guide explores the critical issues and challenges faced by librarians after reading it librarians will better understand the digital content rights protection scheme the various drm technologies and how they are used how to use authentication and authorization standards strategies and technologies and the privacy and security issues related to drm edited by two librarians who also hold law degrees this is a best practices guide for front line librarians on how to best respond to the impact of drm schemes on collection development staffing budget service and other library concerns

coal burns underground and destroys a small town a woman confronts police officers with her pet copperheads a young girl drinks drano a man is banned from his favorite bar within these eleven short stories flannery o connor award winner and poet gary fincke brings into focus the small struggles of ordinary people the characters within this collection from boys and girls to fathers mothers and the aging live in cities in towns and in rural areas yet no matter the surroundings all seem alone within a collective anxiety set against extraordinary events such as the three mile island accident the challenger disaster and the kennedy assassination these stories personalize history through a juxtaposition between large and small tragedies and the

unflinching desire to find insight within and redemption from weakness and shortcoming

the 2012 13 edition looks at the macroeconomic effects of wages and in particular at how current trends are linked to equitable growth the gap between wage growth and labour productivity growth is widening the difference between the top and bottom earners is increasing and the labour income share is declining these worrying changes affect the key components of aggregate demand particularly consumption investment and net exports that are necessary for recovery and growth the report looks at the reasons for these trends which range from the increasing financial and trade globalization to advances in technology and the decline in union density the report calls for internal and external rebalancing to achieve more socially and economically sustainable outcomes within and across countries proposing policy actions beyond labour markets and national borders

how can we reduce child labor in the unfavorable circumstances of a global economic slowdown this new flagship report the first in a series to be published annually by the ilo s international program on the elimination of child labor brings together research on child labor and social protection identifying policies that are designed to achieve multiple social goals this report includes analyses of national child labor trends based on the latest survey data discussions of the role of poverty and economic shocks in rendering households vulnerable to child labor and detailed consideration of income transfers public employment programs social insurance and microcredit initiatives as they have been implemented around the world the report distills a broad range of research in economic and social policy and should be of interest to those looking for ways to combat poverty in the present and reduce its burden on the next generation

the remarkable wartime experiences of kit mcnaughton kitty s war is based upon the previously unpublished war diaries of great war army nurse sister kit mcnaughton kit and historian janet butler grew up in the same victorian district of drystone walls wheatfields and meandering creeks except many decades apart the idea of this young nurse setting out on a journey in july 1915 which would take her across the world and into the first world war took hold of janet butler and inspired her to research and share kit s story this decisive and dryly humorous woman embarked upon the troopship orsova bound for egypt in 1915 kit s absorbing diaries follow her journey through war from egypt where she cared for the gallipoli sick and wounded to the harsh conditions of lemnos island off the coast of the dardanelles and then on to france and the somme here she nursed severely wounded german soldiers for the british during passchendaele a year later she ran the operating theatre of a clearing station near the front line kit finished the war as australia s first plastic surgery nurse assisting medical pioneers in this field as they repaired the shattered faces of australian soldiers through kitty s diaries and janet butler s thoughtful narration we see the war through the eyes of a young australian nurse as she is transformed by what she witnesses kitty s war is an intimate and rare story of one woman s

remarkable experience of war

in developing countries labour markets play a central role in determining economic and social progress since employment status is one of the key determinants of exiting poverty and promoting inclusion yet the reality in most developing countries is that the labour market fails to create the jobs in the formal economy that would help individuals and their families prosper in recognition of these challenges governments and other stakeholders in developing countries have increasingly prioritised policies and programmes to promote decent work however this requires navigating a range of complex issues and debates surrounding the linkages between development processes and labour market outcomes this volume consists of three main thematic parts part i provides a broad overview of key issues including characterising the

employment challenge in developing countries and the link between economic growth distribution poverty and employment drawing on the literature and country examples part ii analyses the specific topics of wages migration and education the final section shifts to a more normative focus addressing labour market institutions and policies along with systematic approaches to quantifying labour markets in developing countries perspectives on labour economics for development is an invaluable reference for policy makers in middle and low income countries as well as an ideal handbook for teachers and students of economics and development
