Color edition is part of the Self Learning Management series that helps working professionals moving into management roles. This self learning management series intends to give a jump start to working professionals whose job roles demand to have the knowledge imparted in a B school but haven't got a chance to visit one. This series is designed to address every aspect of business from HR to finance to marketing to operations. Be it any industry, each book includes basic fundamentals, important concepts, standard and well-known principles as well as practical ways of application of the subject matter. The distinctiveness of the series lies in that all the relevant information is bundled in a compact form that is very easy to interpret. About the author: Kalpesh Ashar is a management consultant and corporate trainer holding an MBA Dean's Award winner from SPJIMR, one of Asia's top business schools, and an engineering degree with honours in electronics. He has over 21 years of experience in large organizations and start-ups in Asia, USA, and Europe. Kalpesh has worked in several project management roles like senior project manager, delivery manager, and program manager. He is passionate about writing on management subjects. His techno-business background gives him a unique position to write on management topics that are easy to understand for non-MBA graduates. His books are authored in a simple-to-understand manner without unnecessary use of management jargons.

Aswath Damodaran, distinguished author, professor of finance, and David Margolis, teaching fellow at the NYU Stern School of Business, have delivered the newest edition of Applied Corporate Finance. This readable text provides the practical advice students and practitioners need rather than a sole concentration on debate, theory, assumptions, or models. Like no other text of its kind, Applied Corporate Finance 4th Edition applies corporate finance to real companies. It now contains six real-world core companies to study and follow. Business decisions are classified for

students into three groups investment financing and dividend decisions
