A Historical Perspective

The American correctional system evolved from a multifaceted history shaped by religious economic and philosophical influences Early colonial practices drew heavily upon English models emphasizing corporal punishment and public humiliation The rise of the penitentiary movement in the 19th century ushered in a shift towards solitary confinement and penitence exemplified by the Pennsylvania system This model however proved to be costly and unsustainable eventually giving way to the Auburn system which allowed for congregate labor under strict rules The 20th century witnessed significant developments in the field of corrections driven by social and political changes The progressive movement led to the establishment of indeterminate sentencing parole and probation aiming to rehabilitate offenders However the war on crime in the latter half of the century resulted in harsher sentencing policies increased incarceration rates and a shift away from rehabilitation towards punishment
