in the wake of continuing corporate scandals there have been few if any ceos that have stepped forward as models of doing things right except the former chairman and ceo of medtronic bill george george has become the unofficial spokesperson for responsible leadership in business the media and academia in authentic leadership bill george makes the case that we do need new leaders not just new laws to bring us out of the current corporate crisis he persuasively demonstrates that authentic leaders of mission driven companies will create far greater shareholder value than financially oriented companies during george s twelve year leadership at medtronic the company s market capitalization soared from 11 billion to 460 billion averaging 35 per year george candidly recounts many of the toughest challenges he encountered from ethical dilemmas and battles with the fda to his own development as a leader he shows how to develop the five essential dimensions of authentic leaders purpose values heart relationships and self discipline authentic leadership offers inspiring lessons to all who want to lead with heart and with compassion for those they serve bill george helps readers answer vital questions such as what should i do when my personal values conflict with company business values how do i make trade offs between the

needs of my customers my employees and my company's shareholders do I really want to devote my talents to business authentic leadership provides a tested guide for character based leaders and all those who have a stake in the integrity and success of our corporations

the book you hold resonates with this conviction that leaders such as you have the potential to be the most influential forces on planet earth yours is the staggering responsibility and the matchless privilege of rallying believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world then this book is for you courageous leadership is Bill Hybels' magnum opus a book far too important to be written before its time only now after nearly thirty years leading his own church from a handful of people with a burning vision into a globe spanning kingdom force only after almost three decades of victories and setbacks of praying hard and risking big is Hybels ready at last to share the lessons he has learned and continues to learn about Christian leadership too much is at stake for you not to maximize your spiritual gift of leadership insists Hybels in this passionate powerful book he unpacks the tools tasks and challenges of your calling you'll discover the power of vision and how to turn it into action you'll gain frontline insights for developing a kingdom dream team discovering your leadership style developing other leaders making decisions walking with God embracing change staying your God-given course and much much more drawing on his own richly varied life experiences Hybels fleshes out vital principles with riveting firsthand stories this is far more than another book on leadership strategies and techniques you'll find those topics in here to be sure but beyond them you'll find the very essence of one of today's foremost Christian leaders his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself if unchurched people matter to you if you love seeing believers serve passionately with their spiritual gifts if God's heartbeat for the church is your heartbeat as well then this book is a must courageous leadership will convince you to lead with all your might all your skill and all your faith and it will give you the tools to do just that

post 1994 South Africa's traditional leaders have fought for recognition and positioned themselves as major players in the South African political landscape yet their role in a democracy is contested with leaders often accused of abusing power disregarding human rights expropriating resources and promoting tribalism some argue that democracy and traditional leadership are irredeemably opposed and cannot co-exist meanwhile shifts in the political economy of the former bantustans the introduction of platinum mining in particular have attracted new interests and conflicts to these areas with chiefs often designated as custodians of community interests this edited volume explores how chieftancy is practised experienced and contested in contemporary South Africa it includes case studies of how those living under the authority of chiefs in a modern democracy negotiate or resist this authority in their respective areas chapters in this book are organised around three major sites of contest leadership land and law

containing the public messages speeches and statements of the president 1956 1992

in twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved the approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

this collection of essays assesses the efforts of african governments to constitutionalise decentralisation be it in the form of federalism local government or traditional authorities since the end of the cold war jurisdictions across africa have witnessed an ostensible return to multi party democracy within the paradigm of constitutionalism and the rule of law linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes the centralization of power typically characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities mostly resulted in repressive regimes and fragile states as decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism this volume examines a variety of forms and degrees of decentralization found across africa it advances a new understanding of trends and patterns and facilitates the exchange of ideas among african governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in africa

bill george s approach to leadership based on self awareness and authenticity is widely considered the gold standard in the field here bill discusses these two traits of every proven leader he provides an effective and human approach to not just leadership but overall self improvement learn how to examine your strengths and weaknesses solicit honest feedback and become more authentic in how you behave and lead
