The book of Revelation is the most fascinating book ever written. It claims to be a vision of the end of the world. The reader is swept up into another time and another place as the panorama of the future unfolds before us. This final book of the biblical record is the capstone of divine revelation. In it, God reveals the great end-times drama that leads to Armageddon and beyond.

The perfect combination of scholarship and accessible presentation for Christians who desire to know how to better understand and defend their faith. Bestselling authors Ed Hindson and Ergun Caner have brought together a who's who of apologetic experts including Lee Strobel, Norm Geisler, Josh McDowell, and John Ankerberg to produce a resource that's both easy to understand and comprehensive in scope. Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns, including issues concerning God, Christ, and the Bible; scientific and historical controversies; ethical matters; genetic engineering; homosexuality; ecology; feminism; a Christian response to world religions and cults; a Christian response to the major worldviews and philosophies of our day. Included with each entry are practical applications for approaching or defending the issue at hand, along with recommendations for additional reading on the subject.

Will the human race survive in the future? Everyone is curious about the future. There is something in human nature that wants to know what is going to happen next. God speaks to the need in our lives by revealing the future before it happens. That process is called a prophecy of future events. This book is a study of the prophecies in the book of Revelation. The book of Revelation is the grand and noble conclusion to the Bible. It captivates our attention, stirs our imagination, and points us to our glorious future destiny. It shows the living relationship between the risen Christ and his bride, the church. It also records the final days of this world and reveals the glorious new world yet to come. The book of Revelation gives us hope for the future when God will make all things new. Rev. 21:5. Dr. Hindson simplifies the message of the Revelation so that you can easily understand it for yourself. He surveys the general content of this captivating book of prophecy with a view to keeping the big picture in mind rather than getting lost in all the details. His approach is to keep the study focused on the key issues. In each chapter, the book of Revelation has been called the epilogue of the unfolding drama of redemption. It's God's road map to help us understand where human history is going. In the biblical record, human history begins in a garden and ends in the eternal city. It begins with tragedy and ends with triumph. It begins with man's failure and ends with his

exaltation in between there stands a cross and on that cross jesus christ changed the course of human history forever the message of the bible represents the timeless truth of god as each generation seeks to apply that truth to its specific context it becomes necessary for an up to date commentary to be created just for them the editors and authors of the twenty first century biblical commentary have endeavored to do just that they represent conservative evangelical and dispensational scholarship at its best
