church and state a simple phrase that reflects one of the most famous and fraught relationships in the history of the united states but what exactly is the church and how is it understood in us law today in church state corporation religion and law scholar winnifred fallers sullivan uncovers the deeply ambiguous and often unacknowledged ways in which christian theology remains alive and at work in the american legal imagination through readings of the opinions of the us supreme court and other legal texts sullivan shows how the church as a religious collective is granted special privilege in us law in depth analyses of *hosanna tabor v eeoc* and *burwell v hobby lobby* reveal that the law tends to honor the religious rights of the group whether in the form of a church as in *hosanna tabor* or in corporate form as in *hobby lobby* over the rights of the individual offering corporate religious entities an autonomy denied to their respective members in discussing the various communities that construct the church shaped space in american law sullivan also delves into disputes over church property the legal exploitation of the black church in the criminal justice system and the recent case of *masterpiece cakeshop v colorado civil rights commission* brimming with insight church state corporation provocatively challenges our most basic beliefs about the ties between religion and law in ostensibly secular democracies

who would have thought that late conservative supreme court justice antonin scalia would write a judicial opinion severely debilitating the free exercise of religion and democrats like chuck schumer and ted kennedy would come to the rescue this is all true it happened in the early 1990s resulting in the federal religious freedom restoration act the federal rfra enjoyed wide bipartisan support in the early 1990s yet more recently various states have tried to enact their own versions of rfra but have been met with enormous opposition what happened to change people s minds about religious freedom are religious freedom laws really license to discriminate this book seeks to add context to the contemporary debates regarding religious freedom specifically rfra and related laws religious freedom laws may not be as bad as some want you to think

this book investigates the intersection between business and religion from a legal perspective taking a fresh look at some of the most compelling literature in law and religion it proposes a rethinking of what scholars on both sides of the atlantic have dubbed church autonomy or more recently corporate religious freedom the volume explores how in the wake of a decade of us supreme court case law corporate religious freedom is now increasingly being extended to protect the religious liberty of another corporate entity the for profit corporation by exposing this shift from church to business autonomy in american law it is argued that a similar narrative has also begun to take place in europe through a comparative and interdisciplinary approach to corporate religious freedom the work provides the reader with a new comprehensive and easily accessible history of the genesis and evolution of this legal category in american and european law the book combines material that straddles international law and religion corporate law and economic theory the diversity of views contained within it makes it a valuable resource for scholars and students in law and religion corporate social responsibility and law and economics

bringing the politics and policy of the current social security debate to light a study of the controversy describes the workings of the system while evaluating the history and ingenious structure of the program as set forth by president roosevelt

an expert helps you perfect your flying skills

drive revenue and grow your business by using the powerful concept of scarcity scarcity isn't just one of the key principles of influence it's arguably the most powerful invoking the kind of primal instincts that were essential to our ancestors survival it's also the explanation for why in the mid 1990's 29 99 tickle me elmo dolls were being scalped for 7 000 apiece and yet for all its power scarcity is a principle that's little understood even as it's frequently employed in sales and marketing campaigns research on scarcity is published mainly in academic journals not easily accessible to the mainstream public and often written from an economic rather than psychological point of view in the power of scarcity dr mindy weinstein leverages her deep expertise in both marketing and psychology to reveal how this influence principle can be used to boost sales win negotiations spark action develop community build customer loyalty and more as a digital marketer and doctor of philosophy in psychology she brings both practical and academic insights to explain the psychology behind scarcity why it has such an immense impact on decision making and how used correctly and ethically it can influence the people who buy your products or services in these pages you'll gain a deeper understanding of why and how scarcity works in business and specifically how different types of scarcity messages supply related demand related time related or limited edition affect our brains you'll see it in action from multiple perspectives through case studies research findings and eye opening interviews with current and former executives from brands that include mcdonald's harry david and 1 800 flowers as well as real life customers firsthand experiences for anyone involved in sales and marketing today the power of scarcity is a rare find combining the best research on the subject as well as hands on tactical ways to apply the psychology behind it to knowledgeably harness that power to bolster your business
