this book offers a continent wide examination of africa s foreign policy and diplomacy addressing the relevance of its many languages precolonial history traditional value systems and previous international relationships african statehood predates that of europe as well as the rest of western civilization and yet by imposing western values on africa and its peoples european colonialism destroyed africa s paradigm of statehood along with its value systems that were ideally suited for this majestic continent this two volume book provides a comprehensive survey of the issues and events that have shaped africa from remotest antiquity to the present and serves as the foundation of africa s international relations diplomacy and foreign policy the first volume of african foreign policy and diplomacy from antiquity to the 21st century discusses the determinants of africa s diplomacy from antiquity to the 18th century the second volume addresses the further developments of its foreign policy from the 19th to the 21st century

over the past decades the nation state lost its political primacy by processes of devolution europeanisation and globalisation which in turn enhanced municipal autonomy why do some cities seek to sidestep the state and widen their sphere of action bridging political geography local politics and urban sociology this book gives a new perspective on the state's weakening authority and the parallel rise of cities as political actors the author considers the tensions between central states and european cities giving a new perspective to students and researchers in the social sciences

containing more information on asian culture than any other english language reference work columbia chronologies of asian history and culture is the first of its kind a set of more than thirty chronologies for all the countries of asia east south southeast and central from the paleolithic era through 1998 each entry is clearly dated and unlike most chronologies found in standard history texts the entries are complete and detailed enough to provide virtually a sequential history of the vast and rich span of asian cultures the contributing writers and editors have ensured the book's usefulness to general readers by identifying individuals and groups locating places and regions explaining events and movements and defining unfamiliar words and concepts the thirty two chronologies on individual countries in conjunction with a detailed index allow readers to find specific information quickly and efficiently whether they seek the date for the invention of the iron plow or gunpowder the fall of the han dynasty in china or ho chi minh's declarations of vietnamese independence this invaluable reference culminates with three appendices national independence days scientific technological achievements in asia and asia a chronological overview which provides an accessible summary of key events and developments in various fields of activity throughout the continent the columbia chronologies of asian history and culture features three discrete chronologies on 1 politics history 2 art culture religion and 3 science economics everyday life for each of asia's three major cultures china india and japan as well as a combined chronology for each of the other nations detailed entries of thousands of historical events as well as important milestones in religion philosophy literature and the arts entries on technological developments and natural events famines floods etc affecting the lives of ordinary people and authoritative and accessibly written entries by a team of asian scholars from columbia harvard and other major research universities beyond its detailed accounting of asia's political history columbia chronologies of asian history and culture also gives full recognition to religious intellectual artistic and general cultural achievements as well as to scientific technological industrial agricultural and economic developments concise yet complete it will stand as an indispensable reference work in the field of asian studies
