although many texts attempt to explain intellectual property law to scientists and engineers they are ineffective because they fail to present the subject within the proper scope they are either too expansive or too detailed for the needs of researchers and inventors instead of giving a mile high view of all types of intellectual property or at

by examining the reasons behind the preventive criminalization of chinese criminal law this book argues that the shift of criminal law generates popular expectations of legislative participation and meets punitive demands of the public but the expansion of criminal law lacks effective constraints which will keep restricting people's freedom in the future the book is inspired by the eighth amendment of chinese criminal law in 2011 which amended several penalties related to road drug and environmental safety it is on the eighth amendment that subsequent amendments have been based the amendment stemmed from a series of nationally known incidents that triggered widespread public dissatisfaction with the chinese criminal justice system based on john kingdon's theory of the multiple streams the book explains the origins of the legislative process and its outcomes by examining the role of public opinion policy experts and political actors in the making of chinese criminal law it argues that in authoritarian china the prominence of risk control through criminal justice methods is a state response to uncertainties generated through reforms under the ccp's leadership the process of criminal lawmaking has

become more responsive and inclusive than ever before even though it remains a consultation with the elites within the framework set by the chinese communist party ccp including representatives of the lianghui government ministries academics and others the process enhances the ccp s legitimacy by not only generating popular expectations of legislative participation but also by meeting the punitive demands of the public the book will be of interest to academics and researchers in the areas of chinese criminal law and comparative law
