the prison has often been the focus for concerns about human rights violations and campaigns aimed at achieving social justice for those with an interest in the criminalisation of women to reduce the number of women imprisoned a range of policy initiatives have been developed to increase the use of community based responses to women in conflict with the law these

initiatives have tended to operate alongside reforms to the prison estate and are often defined as community punishment community sanctions and alternatives to imprisonment this book challenges the contention that improved regimes and provisions within the criminal justice system are capable of addressing human rights concerns and the needs of the criminalised woman this book aims to provide a critical analysis of approaches and experiences of penal sanctions human rights and social justice as enacted in different jurisdictions within and beyond the uk drawing on international knowledge and expertise the contributors to this book challenge the efficacy of gender responsive interventions by examining issues affecting women in the criminal justice system such as mental health age and ethnicity crucially the book will engage with the paradox of implementing rights within a largely punishment orientated system this book will be of interest to those taking undergraduate and post graduate courses that examine punishment gender and justice and which lend themselves to an international comparative aspect such as criminal justice criminology international criminal justice courses sociology as well as professional training for practitioners criminal justice social work health who work with women in the criminal justice system

sentencing policy and social justice argues that the promotion of social justice should become a key objective of sentencing policy advancing the argument that the legitimacy of sentencing ultimately depends upon the strength of the relationship between social morality and penal ideology it sheds light on how shared moral values can influence sentencing policy at a time when relationships of community appear increasingly fragmented arguing that sentencing will be better placed to make a positive contribution to social justice if it becomes more sensitive to the commonly accepted moral boundaries that underpin adherence to the rule of law the need to reflect public opinion in sentencing has received significant attention more recently with renewed interest in jury sentencing stakeholder sentencing and the involvement of community views when regulating policy the author however advocates a different approach combining a new theoretical focus with practical suggestions for reform and arguing that the contribution sentencing can make to social justice necessitates a fundamental change in the way shared values about the advantages of punishment are reflected in penal ideology and sentencing policy using examples from international comparative and domestic contexts to advance the moral and ethical case for challenging the existing theories of sentencing the book develops the author s previous theoretical ideas and outlines how these changes could be given practical shape within the context of sentencing in england and wales it assesses the consequences for penal governance due to increased state regulation of discretionary sentencing power and examines the prospects for achieving the kind of moral

transformation regarded as necessary to reverse such a move to illustrate these issues each chapter focuses on a particularly problematic area for contemporary sentencing policy namely the sentencing of women the sentencing of irregular migrants sentencing for offences of serious public disorder and sentencing for financial crime

examines the recent developments in penal policy and asks whether they will make for more justice drawing on international evidence the author asks whether making the punishment fit the crime can lessen the excessive penalization of the poor the mentally disordered and racial minorities

this book builds on heffernan s last book rights and wrongs rethinking the foundations of criminal justice by examining the class and racial disparities at the heart of current law disparities that according to many generate a system of criminal injustice it argues that these disparities run throughout the legal system they re present in policing corrections and sentencing it discusses the relationship between the two kinds of justice social justice and criminal justice and how to ensure fairness in state imposed punishment it theorises the extent to which criminal law must address considerations of social justice to ensure a fair system it proposes a framework for analyzing disparities provides an overview of contemporary research concerning them and offers reform proposals for addressing them written in an accessible way it introduces readers to philosophical theory and doctrines in constitutional law and thus it speaks to a wide audience concerned about racial and class disparities in the criminal justice system it responds to a half century s worth of public concern about the legitimacy of the state s exercise of its penal power while explaining the pertinence of social justice principles to the criminal justice system

worldwide social workers have many functions and roles to play in the areas of crime and criminal justice and they work with service users at both sides of criminal justice crime perpetrators crime victims and very often vulnerable people who are part of the two groups this handbook provides both a critical exploration of the roots and theoretical foundations of criminal justice social work as well as cutting edge research and practice in the field from a global and inclusive viewpoint divided into six parts theoretical approaches and critical perspectives on criminal justice social work social work in the prison system children youth and criminal justice social work social work health and justice social exclusion and vulnerabilities in the criminal justice system police social work social work in courts and criminal justice social work with communities it moves away from purely legalistic approaches and regulation constraints which often leave social workers and researchers in this field feeling unheard

and powerless in face of oppressive procedures and regulations in opposition to service users human rights and social justice oriented change in line with the profession's global codes of ethics the diverse and international knowledge generated by the handbook will become a key global resource for teaching and learning about the foundations and diverse understandings practices and regulations regarding social work in the areas of crime and criminal justice and for enhancing social work's contributions and influence on these
