Course Structure and Content

The course typically consists of:

- Educational videos explaining standards for each movement
- Interactive quizzes to test understanding of rules

Question 3: How should a judge handle a disputed rep? Answer: The judge should listen

to the athlete's concern, review the movement standards visually, and communicate clearly. If necessary, they can consult with other judges or officials. The decision should be based on the established standards, and the judge should remain professional and impartial.

Question 4: What is considered a "no rep" in a handstand push-up? Answer: A "no rep" occurs if the athlete fails to lock out their elbows at the top, does not touch their head to the ground or wall (depending on the standard), or if they lose control or balance during the movement.
