Sample CrossFit Judges Course Questions and Answers To give you a better understanding, here are some typical questions from the course, along with their answers: Question 1: What is the standard depth for a proper box jump? Answer: The standard depth for a box jump is that the athlete must fully extend their hips at the top of the jump and land with their feet flat on the box, standing to full extension before stepping down or jumping back down. The hips should be above parallel at the top, and the landing should be controlled. Question 2: During a pull-up, what indicates a valid rep? Answer: A valid pull-up requires the athlete to start from a dead hang with arms fully extended, pull themselves up until their chin is clearly above the bar, and then lower themselves back to the starting position with arms fully extended, maintaining control throughout. Question 3: How should a judge handle a disputed rep? Answer: The judge should listen to the athlete's concern, review the movement standards visually, and communicate clearly. If necessary, they can consult with other judges or officials. The decision should be based on the established standards, and the judge should remain professional and impartial. Question 4: What is considered a "no rep" in a handstand push-up? Answer: A "no rep" occurs if the athlete fails to lock out their elbows at the top, does not touch their head to the ground or wall (depending on the standard), or if they lose control or balance during the movement.
