the grand alliance no more than a mask a cover for its own horrific eridani violations those solarians will never accept the war guilt of the league because they know the grand alliance was just as bad because they deeply resent the way in which the grand alliance pretends to be the innocent good guys and in the fullness of time those solarians will seek vengeance upon their enemies not all solarians feel that way but even some of those who accept that there was an interstellar conspiracy cherish doubts about its origins but it is still out there and now defeated solarians and agents of the victorious alliance must join forces to find it even if they don't believe in it it believes in them they must find it and identify it to prove to revanchist solarians that there was a conspiracy and they must find it and destroy it to end its evil once and for all the crown of slaves honorverse series crown of slaves torch of freedom cauldron of ghosts at the publisher's request this title is sold without drm digital rights management about the crown of slaves saga fans of weber's honor harrington series will be delighted with this offshoot in which he and coauthor flint develop several situations and characters from other stories this outstanding effort transcends the label space opera and truly is a novel of ideas publishers weekly about david weber a balanced mix of interstellar intrigue counterespionage and epic fleet action with all the hard and software details and tactical proficiency that weber delivers like no one else along with a large cast of well developed believable characters giving each clash of fleets emotional weight booklist moves as inexorably as the star kingdom's grand fleet commanded by series protagonist honor harrington weber is the tom clancy of science fiction his fans will relish this latest installment publishers weekly this entry is just as exciting as weber's initial offering the result is a fast paced and action packed story that follows our characters as they move from reaction to command of the situation weber builds shadow of freedom to an exciting and unexpected climax the galveston county daily news weber combines realistic engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long awaited honor harrington novel fans of this venerable space opera will rejoice to see honor back in action publishers weekly this latest honor harrington novel brings the saga to another crucial turning point readers may feel confident that they will be honored many more times and enjoy it every time booklist about eric flint this alternate history series is a landmark booklist eric flint's 1632 universe seems to be inspiring a whole new crop of gifted alternate historians booklist reads like a technothriller set in the age of the medicis publishers weekly

the mesan alignment is revealed and for honor harrington and the manticoran star kingdom this means war unintended consequences sometimes things don't work out exactly as planned the mesan alignment has a plan one it's been working on for centuries a plan to remake the galaxy and genetically improve the human race its way until recently things have gone pretty much as scheduled but then the alignment hit a minor bump in the road called the star empire of manticore so the alignment engineered a war between the solarian league the biggest and most formidable interstellar power in human history to help push things along the alignment launched a devastating sneak attack which destroyed the royal manticoran navy's industrial infrastructure and in order to undercut manticore's galaxy wide reputation as a star nation of its word it launched operation janus a false flag covert operation to encourage rebellions it knows will fail by promising manticoran support the twin purposes are to harden solarian determination to destroy the star empire once and for all and to devastate the star empire's reputation with the rest of the galaxy but even the best laid plans can have unintended consequences and one of those consequences in this case may just be a new dawn of freedom for oppressed star nations everywhere at the publisher's request this title is sold without drm digital rights management about shadow of freedom this entry is just as exciting as weber's initial offering the result is a fast paced and action packed story that follows our characters as they move from reaction to command of the situation weber builds shadow of freedom to an exciting and unexpected climax daily news of galveston about mission of honor 13 in the honor harrington series weber combines realistic engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long awaited honor harrington novel fans of this venerable space opera will rejoice to see honor back in action publishers weekly this latest honor harrington novel brings the saga to another crucial turning point readers may feel confident that they will be honored many more times and enjoy it every time booklist about david weber and the honor harrington series everything you could want in a heroine excellent plenty of action science fiction age brilliant brilliant brilliant anne mccaffrey compelling combat combined with engaging characters for a great space opera adventure locus
