rescuing the crimean war from the shadows lara kriegel demonstrates the centrality of a victorian war to the making of modern britain

please note that the maps available in the print edition do not appear in the ebook from the great storyteller of modern russian historians financial times the definitive account of the forgotten war that shaped the modern age the charge of the light brigade florence nightingale these are the enduring icons of the crimean war less well known is that this savage war 1853 1856 killed almost a million soldiers and countless civilians that it enmeshed four great empires the british french turkish and russian in a battle over religion as well as territory that it fixed the fault lines between russia and the west that it set in motion the conflicts that would dominate the century to come in this masterly history orlando figes reconstructs the first full conflagration of modernity a global industrialized struggle fought with unusual ferocity and incompetence drawing on untapped russian and ottoman as well as european sources figes vividly depicts the world at war from the palaces of st petersburg to the holy sites of jerusalem from the young tolstoy reporting in sevastopol to tsar nicolas haunted by dreams of religious salvation from the ordinary soldiers and nurses on the battlefields to the women and children in towns under siege original magisterial alive with voices of the time the crimean war is a historical tour de force whose depiction of ethnic cleansing and the west's relations with the muslim world resonates with contemporary overtones at once a rigorous original study and a sweeping panoramic narrative the crimean war is the definitive account of the war that mapped the terrain for today's world

florence nightingale is famous as the lady with the lamp in the crimean war 1854 56 there is a massive amount of literature on this work but as editor lynn mcdonald shows it is often erroneous and films and press reporting on it have been even less accurate the crimean war reports on nightingale's correspondence from the war hospitals and on the staggering amount of work she did post war to ensure that the appalling death rate from disease higher than that

from bullets did not recur this volume contains much on nightingale's efforts to achieve real reforms her well known and relatively sanitized evidence to the royal commission on the war is compared with her confidential much franker and very thorough notes on the health of the british army where the full horrors of disease and neglect are laid out with the names of those responsible

this book first published in 1977 presents a comprehensive survey of the upheavals experienced in warfare from 1793 to the end of the twentieth century a period that saw many fundamental changes from the napoleonic wars to the advent of total war guerrilla and nuclear warfare it discusses in detail the main aspects of warfare battles weapons and people it concentrates equally on all three not emphasising one aspect at the expense of the others and allowing cross references between them so as to fit them into the general pattern of development also included are other factors essential to an understanding of modern warfare such as technological items and conceptual entries such as basic strategy and tactics and various military theories and principles

accounting often described as the language of business requires a diverse set of written listening and oral communication skills if those who practise it are to be effective given the pace of change relating to for example the evolution of international accounting standards and the demands for greater transparency accountants must be clear responsive and audience focussed communicators employers of accountants consistently comment on the need for their new graduate recruits and trainees to have strong written oral and interpersonal communication skills in this light accounting educators face the challenge of designing and delivering programmes that reflect professional expectations on the part of employers and clients and educating students on how to make informed communication choices in order to achieve desired results and to build good working relationships the chapters in this book deal with such topics as accounting students perceptions of oral communication skills competence based writing skills and the development of listening skills this book was originally published as accounting education an international journal

traces the history of imperial russia from peter the great to the bolshevik revolution examining court and peasant life the orthodox church and the effects of industrialization
