starts out like this luna was a magical creature who used to live in a forest that was full of life and color luna was a beautiful unicorn her coat was as white as fresh snow and her horn sparkled like a mirror in the sun she had a kind and caring heart and her eyes were full of wonder and interest one day luna woke up with a spark of curiosity in her eyes she wanted to see what was outside the forest which she had lived in for so long luna took a deep breath and decided it was time to go on a journey which made her heartbeat faster luna jumped ahead and as she galloped down the familiar trails of the woods a rush of adrenaline went through her body her feet made a rhythmic song against the soft earth as they echoed through the woods like a happy symphony luna was soothed by the familiar sights and smells of the forest but deep down she wanted something more a taste of the amazing that was just out of her reach as luna got closer to the edge of the forest she noticed a change in the air the air seemed to be filled with a magical force and words of magic that made her want to explore it seemed like the forest itself was telling secrets about treasures to be found outside of its limits luna moved closer to the edge her mane fluttering and her eyes shining with purpose her heart was pounding with a mix of excitement and fear the forest had been her safe place and her home but now she was in a whole new world where thoughts and imaginations collided and every day gave way to the extraordinary luna was interested in what she didn t know so she went outside of her comfort zone she stopped for a while because she was afraid of what she didn t know but luna knew deep down that life was all about accepting the unknown and exploring places no one had been before luna put all her courage into a leap of trust she rode forward and her hooves carried her through the trees and into the magical world as soon as she crossed the line she felt tingly as if the air itself was charged with magic she had never felt anything like it before a heady mix of joy and surprise a beautiful view of green fields tall mountains and sparkling lakes spread out in front of her the place seemed to shine with a wacky light as if it had been touched by humor itself every step luna took was a surprise and every breath she took smelled like options slowly the world beyond the trees showed its beauty flowers grew in every color of the rainbow and made a beautiful song majestic animals with wings and scales flew through the sky adding bright colors to everything as luna went deeper into this strange world she came across creatures that had only been mentioned in stories fairies flew through the air with wings that were clear and shone like small rainbows they smiled and giggled sneakily at luna and led her to private clearings where they laughed and told her secrets in their company luna s heart felt lighter as if the weight of the world had been taken off luna was surrounded by the magical energy in the air which gave her a feeling of purpose and wonder she found out that the world of magic was more than just a place to hide it was also a place where imagination and faith were the most important things in this setting dreams took flight and the unusual became the norm fear and reluctance turned into courage and interest for luna over time she was no longer scared of the unknown instead it drove her forward into a world with endless options she liked the thrill of finding new things like going to places she hadn t been before meeting new people and finding secret treasures that made her heart happy luna s leap of faith not only let her into a magical world but it also lit a fire in her an insatiable desire to learn and a deep seated belief in the power of stepping outside of one s comfort zone she knew that people who were brave enough to face the unknown would grow and have real adventures as luna went through this beautiful place she met magical creatures who had made this world their home wise old wizards passed on their knowledge and taught important lessons about how magic and duty should work together as they danced around the fields and laughed the nymphs filled the air with joy and mischief and beautiful unicorns rushed with luna confirming who she was and telling her of how strong she was on the inside with each new person she met luna s sense of who she was grew stronger she found hidden skills and strengths she didn t know she had she learned to trust her gut listen to what her heart was telling her and believe in herself the enchanted realm she had moved to had become a place where she could learn about herself every experience and contact had made her a stronger more confident unicorn luna s quest on the other hand was not easy along the way she ran into big problems that put her willpower to the test dark woods dangerous ravines and whirling clouds all tried to stop her from getting where she needed to go in her head doubt whispered warnings and begged her to turn around but luna found her own strength and used what she had learned to move forward with a strong sense of purpose luna found that the real magic wasn t just in the things she saw but also in herself when she didn t know what to do her faith in herself and her determination helped her get through the worst times and she was able to overcome any task luna found that her spirit held the power to help her overcome problems but it was silent as luna stood on a beautiful hill and looked out over the vast area of the magical country she had grown to love as the sun went down it filled the area

with golden light and cast long shadows that moved to the sounds of her trip as luna thought about everything she had seen and done she felt proud of herself she had learned what true friendship was gotten the strength to face her fears and unlocked the magic that was inside her luna had understood that the most valuable thing she had seen was not what she had seen but how her heart had changed luna went back to the familiar forest she used to live in she did so with a new understanding and a spirit that burned brighter than ever no longer did it feel tight or limiting instead it looked like a safe place where she could share the magic and knowledge she had learned on her amazing journey luna rode her horse back across the border of the enchanted realm and into the warm comfort of her favorite forest the soft ground under her hooves seemed to sing a happy tune because she was back luna's presence gave off a unique vibe that made other species want to try new things and go on with their own adventures with a playful toss of her hair luna moved into a place she didn't know light from the sun bounced off the leaves and made bright patterns on her white cloak her heart was beating faster as she thought about the new people she'd meet the secret treasures she'd find and the stories she'd hear on this amazing trip luna didn't know that this trip would involve more than just a walk through a magical forest it would test her courage make her think about her beliefs and light a fire of self discovery deep inside her she would see things that were more amazing than anything she could have imagined she would also face surprises that would test her strength as luna went deeper into the unknown she met a group of naughty fairies with beautiful wings that sparkled like rainbows they flew around her whispering secrets about the forest and showing her hidden paths luna's heart filled with joy when she learned that everywhere she turned she would meet new friends luna was led to a secret waterfall by the fairies playful giggles as she followed their ethereal glow it fell in a fluid way and its clear waters made beautiful music that filled the air luna was amazed to see that the water sparkled with a beautiful light just like the colors of a rainbow luna cautiously walked up to the edge of the pool drawn by its beauty as she went deeper into the pool her own image stared back at her mirroring the determination in her eyes she saw more than just her body she saw the spirit of who she really was waiting to be found the river told cosmic secrets and promised that wants would be met and that people's deepest wishes would be revealed luna could feel the power in the air as it swirled around her urging her to find out what she was capable of and what secrets were inside her luna got down on her knees and put her hoof in the water her heart was strong as waves moved across the pool's surface she felt a rush of energy it was almost as if the water knew she was there and knew how powerful she was

to put it briefly a young polar bear named luna lived in the arctic which is very cold and huge she was different from other cubs her age because she was curious and liked to explore other polar bears in the arctic were happy with their normal lives but luna was looking for more the christmas stories her grandmother told her were fascinating to her luna became very interested in christmas after hearing stories about how it was a magical time full of love happiness and pleasant surprises she really wanted to enjoy the holiday herself luna set out on an amazing trip to

find out what christmas is really about because she felt this way in her search she met many different kinds of animals and each had its own unique take on the holiday season luna learned from an old owl that christmas was a time to be wise and calm while they were getting ready to help santa claus deliver gifts all over the world a family of reindeer showed her how happy it is to help others luna accidentally found a secret area where a group of elves were busy making gifts they showed luna what christmas is really about which is the happiness that comes from making other people happy especially kids after some time luna finally got to a small village where she saw families having christmas she realized that the real spirit of the season love kindness and the warmth of being with loved ones was more important than the material things that make up the holiday like gifts and decorating as soon as luna heard this she thought of her family whom she had left behind in the arctic luna came home from her trip full of holiday cheer and ready to tell her family and friends about all the great things she had seen and done and the important lessons she had learned the people in the arctic town celebrated christmas together and made up their own customs like putting ornaments of different colors on a huge ice tree the stories she told brought the community together and led to these traditions they learned how rewarding it is to help others and how important it is to spend time with each other they truly understood the spirit of christmas luna and her people were the first ones to celebrate christmas every year this became a well known practice in the arctic people in luna s family s neighborhood knew her as the person who brought christmas energy which is a sign of hope and joy besides making her own dream come true her trip brought the magic of christmas to the arctic and taught everyone that the real meaning of the holiday season is being with loved ones and sharing joy no matter where they are in the world because of what she did christmas came to the arctic her journey made her personal wish come true her trip brought christmas cheer to the arctic the action starts many years ago there was a polar bear cub in the arctic her name was luna in the arctic where it was very cold and huge she lived the snow looked like a diamond bed in the dim light of the winter sun luna was a bear who had strange hopes and dreams her hair was as white as the snow around her and her eyes sparkled with a kind of excitement that isn t common in wildlife of her kind for people who lived in the arctic where every day was a battle against the weather luna s soul shone like a beacon of hope and wonder the other polar bears in luna s group were happy with their daily routines of looking for food swimming in the cold seas and playing in the snow luna wanted to do something different luna was eager to try something new she often stood still and stared up at the stars either to focus or to listen carefully as the more experienced members of her pack told stories when luna heard these stories she was most interested in the ones her grandmother a wise and caring bear told her her grandma talked about a lovely time of the year called christmas that is unlike any other with a smile on her face her grandma would read christmas stories while her white fur turned silver with age she talked about a world that had been changed by love happiness and a lot of really nice shocks luna learned about the music in the air the shining lights on trees and buildings and the general feeling of happiness that seemed to cover the whole world during this holiday season luna thought that the idea of christmas was as mysterious and interesting as the northern lights in the arctic at night it was in luna s heart to be a part of the christmas season she dreamed of a paradise that was far from the harsh fields where she lived a place where happiness was as common as winter snowflakes when she thought about what it would be like she saw herself in a room full of bright lights and music and laughing the thought of a day devoted to joy and kindness was very appealing to her every year luna was interested in the christmas holiday she started to ask more questions and looked for the most experienced and smart bears in her pack to learn more about those good old days she had heard stories about a famous red clad figure who flew through the sky on a sleigh pulled by reindeer and brought gifts and happiness to everyone he met it was explained to her that putting lights and trinkets on trees in honor of the start of a new life and the persistence of hope during the darkest winter months luna was getting ready for the holidays but the holiday season kept showing up in her dreams she dreamed of a world where snowmen came to life and every snowflake was a note in a happy melody the cold harsh arctic world would be warmed by christmas love and kindness she imagined having a time of peace and family with animals she had never seen before they and she would share stories and gifts the desire for luna to experience christmas became her compass as the nights got longer and the auroras got stronger in the arctic in the arctic the auroras got better to see as the nights got longer she knew that she had to leave her cold country in order to fully enjoy this magical moment she wanted to bring christmas joy back to the arctic so that everyone could feel the wonder and excitement that she had only ever read or heard about the last night of luna was clear and full of stars and the northern lights made the sky look green and purple her goal was to find christmas so she would leave her house she wanted to feel the happiness love and gifts for herself so she could tell her family and friends how she felt she knew the trip would be hard and take a long time but she was determined to go anyway luna s grandmother gave her approval and the rest of her pack pushed her to go on this trip so she could finish her epic quest in the arctic where it is cold and lonely life and the rules of nature used to be the only things that mattered the sky looked great with the white snow and ice that was always there in

this place the young polar bear luna had a heart as strong as the arctic winds she lived in this peaceful but harsh setting luna was a bear with a wish as far away as the stars in the cold night she wasn't just another animal that lived in this frozen world luna's dream was to one day spend christmas in the arctic where life is always about hunting surviving and facing the elements she is having a hard time understanding this idea luna thought of christmas as more than just a day on the calendar it stood for joy warmth and enticing treats which were very different from her harsh and cruel home in the arctic as a child she loved listening to her grandma tell stories about this wonderful time the stories were about sparkling lights happy sounds and a world covered in a blanket of kindness and happiness luna had heard these stories since she was a child the stories had added fuel to luna's already burning fire of desire and wonder a fire that was very bright compared to the cold weather as luna walked through the frozen fields and took a bath in the cold lake her mind would often wander to the upcoming christmas holiday she made up a world that was very different from the one she lived in one that was full of happiness and love instead of loneliness and sadness she felt loved and like she belonged in this beautiful world in her dreams it seemed like love and belonging filled every corner in her dreams she saw trees with ornaments that sparkled it was the music that made her happy and calm living in the arctic however meant that she had to fight every day for her life there wasn't much food and the setting was harsh and hostile because they were so focused on staying alive the other polar bears didn't understand why luna was so interested in christmas they thought it was an impossible goal that would take their attention away from their most important job which was to stay alive while they were negative luna wasn't affected by it she held on to her dream with all her might like the northern lights it got even more important to luna to have christmas as the days got shorter and the nights got longer in the arctic when she made her plea she would lie down on the ground look up at the stars and whisper to the night sky she did this in the hopes that one day her wish would come true luna thought christmas was more than just a day she thought it was an emotion and a spirit that could make even the worst conditions brighter and happier it became important to her to spend christmas with her family and it shaped both her thoughts and deeds luna started to see the beauty of her home arctic in a whole new way as she thought about how the holidays would change it so much she saw the northern lights as nature's christmas lights snowdrifts as places to build snowmen and the night sky full of stars as a painting of the beauty and joy of the season she thought of the northern lights as real life christmas decorations
